TOWN CLERK'S REPORT

Town Meeting, Thursday, January 8, 1942

Agreeable to a warrant signed by the Selectmen December 30, 1941, the inhabitants of the Town of Stoneham, qualified to vote in elections and town affairs met in Town Hall in said Town on Thursday, January 8, 1942.

The Tellers appointed to serve on the check lists were as follows: Marie M. Burns, James E. Fulton, Sr., Ellen E. Hogan, Donald J. Morrison, Bertha C. Moulton, John F. Murphy and Charles H. Parsons.

One hundred sixty-eight voters were checked on the list as being present.

The meeting was called to order at 8.42 o'clock by the Moderator, and the warrant read.

Article 1. To see if the Town will vote to raise and appropriate a sum of money for Civilian Defense, to determine how the same shall be expended, and the manner in which it shall be raised, by borrowing or otherwise, or take any action relative thereto.

Voted: That the sum of $10,000 be raised and appropriated for civilian defense, said sum to be expended by the Executive Committee of the Stoneham Civilian Defense Committee, and for such purposes as are authorized under Chapter 487 of the Acts of 1941.

Adjourned at 8.45 P. M.

Town Meeting, Monday, March 2, 1942

Agreeable to a warrant signed by the Selectmen January 27, 1942, the inhabitants of the Town of Stoneham, qualified to vote in elections and town affairs met in Town Hall in said town on Monday, March 2, 1942, at seven o'clock in the forenoon.

The meeting was called to order by Moderator George E. MacNeil, Jr., and the warrant read.

The Tellers appointed by the Selectmen, as required by law, were sworn by the Town Clerk and assigned to duty as follows: Ballot Clerks: Republicans, Donald J. Morrison, Earle H. Donald; Democrats, John F. McHale, Alfred T. Peacock. Tellers: Republicans, Charles H. Parsons, Alice R. Worthen, Helen Jahnke, Lillian R. Gorham, Carrie E. Bancroft; Democrats, Almond H. Smith, Annie E. Dolan, Helen V. Dougherty, Marie M. Burns, Helen M. Barry.

The ballots were given to the Ballot Clerks, a receipt taken from them for the same, the ballot boxes were opened and examined, the registers set at 0, locked, and the keys given to the Moderator, after which the polls were declared open.

The Moderator appointed as additional Tellers to canvass and count the ballots, the following who were sworn by the Town Clerk: Republicans, James E. Fulton, Sr., John F. Surrette, Albert F. Orne, Marjorie V. Reed, Rena L. Wandless, Roland J. McClellan, Dorothy D. Robinson, Ethel E. Piper, William N. Rogers, Richard Roberts, George Richardson, Ida Sharp, Charles A. Owen, Beulah J. Anderson, Ruth I. Best, Mary G. Blenkhorn, Margaret Butler, Anita Cerchione, Elsie B. Clark, Amy L. Corkum, Edith Cook, Frederick E. Braun, Annie E. Kinsley, Irene C. Larose, Violet LeBrun, Bessie M. Lund, Bertha C. Moulton;

Democrats, Margaret McNaughton, Mary B. Fougere, Catherine W. Ahern, Veronica A. Bauer, Annie E. Breagy, Josephine F. Cahill, Arline E. Cogan, Henry P. Desmond, Catherine A. English, Mary A. K. Hamill, Ellen E. Hogan, Irene L. Hulme, Emma A. Kelly, Velvin Kelley, Martin F. McDonough, Sarah M. McGah, Elizabeth A. Reynolds, Florence E. Tole, Alice C. Walsh, Margaret E. Simkins, Nellie Dannahy.

By unanimous consent of the Moderator and Town Clerk, the ballot boxes were opened and ballots taken therefrom for the purpose of counting at two o'clock in the afternoon.

The Tellers appointed to canvass and count the ballots were divided into groups of two, one Republican and one Democrat in each group.

At eight o'clock in the evening the polls were declared closed at which time the ballot box No. 1 registered 1,496 and the ballot box No. 2 registered 1,521 as ascertained by the Town Clerk.

The check lists at the gates had the names of 3,016 as having received ballots.

The check lists at the ballot boxes had the names of 3,016 persons checked as having voted.

The number of unused ballots returned to the Town Clerk was 2,116.

The number of ballots taken from the ballot boxes, as counted by the Moderator was 3,016.

All requirements of the law having been complied with, it was voted to adjourn to meet in Town Hall on Monday, March 9, 1942, at 7.30 o'clock in the evening.

Adjourned Town Meeting, Monday, March 9, 1942

Agreeable to the warrant signed by the Selectmen January 27, 1942, and in accordance with the By-Laws of the Town, the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs met in Town Hall on Monday, March 9, 1942, at seven-thirty in the evening.

Tellers appointed to check the names of those entering the hall were: Carrie E. Bancroft, Marie M. Burns, Helen V. Dougherty, Ellen E. Hogan, Donald J. Morrison, Bertha C. Moulton, Charles H. Parsons, Alfred T. Peacock, Alice R. Worthen.

The check lists showed that five hundred twenty-one voters attended the meeting.

The meeting was called to order by the Moderator, George E. MacNeil, Jr., and opened with the salute to the Flag and singing one verse of the National Anthem, led by Mrs. Katherine A. English.

Article 2. To choose all other necessary Town Officers for the year ensuing in such manner as the Town shall determine.

Voted: That the Selectmen be authorized to appoint all other necessary town officers whose appointment is not otherwise provided by law.

Mr. Charles A. Owen, Chairman of the committee to nominate members of the Planning Board, submitted the following names: Ralph A. Jenkins, Edmond F. Dagnino, Almond H. Smith, and Charles A. Owen, for three year terms, and Francis A. Clarke for one year term.

Voted: That Ralph A. Jenkins, Edmond F. Dagnino, Almond H. Smith and Charles A. Owen serve as members of the Planning Board for three years and Francis A. Clarke for one year.

Voted: That the following serve as a Memorial Day Committee: United Spanish War Veterans, Richard A. Roberts, Claude E. Patch, William D. Desmond, Harry S. Ford, Arthur N. Newhall, Clarke D. Whiteman; Post 115, American Legion, William S. Coy, Edmund E. Kelley, James J. McHale, Clarence E. Lent, James E. Johnson, Percy R. Goudey.

Article 3. To hear the reports of Town Officers and Committees and to act thereon and to choose Committees.

Voted: That the reports of Town Officers and Committees as printed in the annual town report for the year 1941 be accepted.

Mr. John N. Kelly moved that a committee of three, consist-

ing of T. Arthur Ireland, Charles H. Chase and Joseph H. Kerrigan be appointed to study the advisability of renewing military drill in the High School, as a course of study, said committee to make a detailed report at the next annual town meeting; that if the committee decides in favor of such a course, they are hereby directed to insert an article in said warrant, in the form of a resolution, to be acted upon by the citizens assembled. This motion was carried.

On motion of Charles A. Owen it was voted to accept the following report:

Report of the Committee appointed under Article 74 of the Warrant for the Annual Town Meeting of the Year 1941 to make a study of Chapter 211 of the Acts of 1936 providing for an improved method of Municipal Planning

Your committee finds that our present Planning Board is working under a law passed in 1913 which confers very little authority and power on the Board and which, because of its looseness, often works to the confusion and inconvenience on the part of town officers and those seeking approval of new developments.

Chapter 211 provides that the powers and duties of the Board of Survey, now lodged in the Board of Selectmen, and the present functions of the Planning Board be conferred upon the Planning Board.

This does away with the necessity of an applicant for approval of a street layout or sub-division appearing before and submitting his plan to two different bodies and also relieves the Selectmen, whose duties are many, of a duty which is practically duplicated in another board.

The mandatory duties of a Planning Board established under Chapter 211, or as it is known, Section 81A of Chapter 41, General Laws, are:

1. To make careful studies and prepare plans of the resources, possibilities and needs of the town.
2. Upon completion of any such study, to submit to the Selectmen a report thereon, with recommendations.
3. To make an annual report to the town giving information regarding the condition of the town and any plans for its development.
4. To take custody of the records and plans of the board.
5. To make and perfect a master plan.
6. To pass on subdivision plans submitted for its approval.

We believe that the election of Planning Board members on the official ballot will result to the advantage of the board and the town in that a greater feeling of responsibility of membership will prevail.

In preparing this report your committee has had the valuable assistance of members of the present Planning Board who heartily concur in our conclusions.

If the act is accepted by the town the term of office for members of the board will be five years and election will be on the official ballot, beginning with the year 1943.

Your committee recommends the acceptance of Section 81A, Chapter 41, General Laws, (Chapter 211 of the Acts of 1936) and the creation thereunder of a Planning Board of five members.

CHARLES A. OWEN,
JAMES J. McDONALD,
JOHN P. ENGLISH,
ORVIS H. SAXBY,
THEODORE P. HOLLIS,
Committee.

On motion of Mr. Owen, it was voted: That the Town do establish a Planning Board under the provisions of General Laws, Chapter 41, Section 81A (Chapter 211 of the Acts of 1936) to consist of five members to be elected by ballot at the annual town meeting in March 1943 and thereafter in accordance with the provisions of the statute. Unanimous.

Mr. Patrick J. Callahan, for the Finance and Advisory Board offered the following resolution:

Be it Resolved: That it is the sense of this meeting that all boards, officers, and department heads, in view of the general financial situation and increased taxation, which has been and will be levied upon the public as a result of the National Emergency, make every reasonable effort to curtail their operations and put into effect such measures of economy as may be practical, to the end that all may operate within the budgets provided for the current year so that not only will it be unnecessary to call a future special town meeting for the purpose of providing additional funds, but also that said boards, officers, and department heads will be able to return substantial unexpended balances.

Be it further resolved that all citizens co-operate with the various town departments in their endeavors to curtail their expenditures by refraining from requesting special services.

Voted: That the above resolution be placed on file.

Article 4. To see if the Town will vote to fix the salaries of the several elective officers and boards of the Town for the current year, or do anything in relation thereto. (Finance and Advisory Board.)

On motion of Mr. Callahan it was voted: That the Town fix the salaries of its several elective officers for the year 1942 as follows:

Moderator	$25.00
Selectmen, all members (each)	100.00
Treasurer	1,000.00
Tax Collector	1,500.00
Town Clerk	1,100.00
Board of Assessors, Chairman	700.00
Board of Assessors, other members (each)	500.00
Board of Health, all members (each)	100.00
Board of Public Welfare, all members (each)	100.00
Tree Warden	435.00

On motion of Mr. Callahan it was voted: That no further compensation be paid Arthur D. Kenney, as Assessor, until such time as he can provide the Board of Selectmen with reasonable evidence that he has resumed the duties and obligations of the office of Assessor.

Article 5. To see if the Town will vote to grant a ten per cent increase in the salaries of all town officers and employees, said increase to be retro-active to take effect January 1, 1942, raise and appropriate any sum or sums necessary therefor or do anything in relation thereto. (Board of Selectmen.)

Mr. Callahan moved: That the sum of $10,250 be raised and appropriated for the purpose of providing special compensation adjustments for the year 1942, for all regular full time officers or employees, including school teachers, and excepting elected officers or officials of the Town and those officers or employees whose total salary or compensation from all positions of employment by the Town exceeds $2,499.; payments of said special compensation shall be retroactive to January 1, 1942, to be made on the following basis:

The sum of $100.00 for the year 1942 payable in quarterly payments to those officers and employees whose total yearly salary does not exceed $1,499.00.

The sum of $50.00 for the year 1942 payable in quarterly payments to those officers and employees whose total yearly salary is more than $1,499.00 but not more than $2,499.00.

Mr. Bland D. Shuttleworth moved indefinite postponement. This motion was lost.

The original motion as made by Mr. Callahan was then carried.

Article 6. To raise such sums of money as may be necessary to defray town charges for the ensuing year, by taxation or transfer from available funds, and to make appropriations for the same.

Voted: That the sum of $30,474.81 be appropriated for General Government as itemized in the recommendation of the Finance and Advisory Board as follows:

Moderator	$25.00
Finance and Advisory Board Clerk	250.00
Finance and Advisory Board Expense	145.00

Voted: That the appropriation of $50.00 made under General Government for Board of Appeal Clerk, be expended for salary of the clerk at the rate of $2.50 per meeting and in no event for the total to exceed $50.00 for the year 1942.

Article 7. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1942, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

Voted: That the Town Treasurer, with the approval of the Selectmen be and hereby is authorized to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1942, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws. Unanimous.

At 11.20 o'clock P. M., it was voted to adjourn to meet in the Town Hall, Monday evening, March 16, 1942, at 7.30 o'clock.

Adjourned Town Meeting, Monday, March 16, 1942

In accordance with the vote of adjournment passed March 9, 1942, the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs met in Town Hall on Monday, March 16, 1942, at 7.30 o'clock in the evening.

The Moderator appointed as Tellers to check the names of those entering the hall: Helen M. Barry, Marie M. Burns, Ellen E. Hogan, Carrie E. Bancroft, Bertha C. Moulton, Alice R. Worthen, Charles H. Parsons, Alfred T. Peacock.

The check lists showed that three hundred seventy-seven voters attended the meeting.

The meeting was called to order by the Moderator, George E. MacNeil, Jr., who declared a quorum present.

Mr. Theodore F. Moore asked permission to include in the records a motion to reconsider Article 6. The Moderator ruled that Mr. Moore's motion to reconsider would be in order after the business of the meeting had been transacted.

Article 8. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money for general municipal purposes under authority of and in accordance with the provisions of Chapter 49, of the Acts of 1933 as amended.

Voted: That the subject matter of this article be indefinitely postponed.

Article 9. To see if the Town will vote to pay the rent of quarters or to lease quarters for the use of Leon E. Warren Camp 31, U. S. W. V.; Stoneham Post No. 115, American Legion; raise and appropriate money therefor or do anything in relation thereto.

Voted: That the Town do pay the rent for the quarters used by the Veterans' organizations called for under this Article, any expense to come from the appropriation made for said purposes under Article 6.

Article 10. To see if the Town will authorize the Board of Health to make appointments from its own membership to the following positions; Health Officer, Milk Inspector, Collector and Analyst of Milk Samples, Board of Health Physician, and raise and appropriate money for salaries of said officers. (Board of Health.)

Voted: That the Town do authorize the Board of Health to make appointments from its own membership to the following positions: Health Officer, Milk Inspector, Collector and Analyst of Milk Samples; Board of Health Physician; and that the salaries of said appointees be fixed as follows:

Health Officer and Milk Inspector	$1,800.00
Collector and Analyst of Milk Samples	250.00
Board of Health Physician	200.00

said salaries to be paid from the appropriations made therefor under Article 6.

Article 11. To see if the Town will vote to raise and appropriate a sum of money for Christmas Lighting, appoint a committee to expend such sum or do anything in relation thereto. (Planning Board.)

Voted: That the subject matter of this article be indefinitely postponed.

Article 12. To see if the Town will vote to raise and appropriate money for the Town's share of WPA expenses and determine how the appropriation shall be raised, by borrowing or otherwise, or do anything in relation thereto. (Board of Selectmen.)

Voted: That the sum of $2,415.48 be raised and appropriated for W. P. A. Administration and that this sum together with the unexpended balance of W. P. A. Administration funds on hand January 1, 1942, in the amount of $1,193.52 be expended for the following purposes:

Sponsor's Agent, Salary	$2,080.00
Clerk, Salary	1,144.00
W. P. A. Administration, Misc. Expenses	385.00

Voted: That the sum of $12,500.00 be raised and appropriated for the Town's share of W. P. A. Project expenses, said appropriation to be expended by a committee consisting of the Board of Selectmen, Clarence W. Houghton, Thomas M. Hurley, Almond H. Smith and John W. Dolan.

Article 13. To see if the Town will vote to raise and appro-

priate money to pay unpaid bills incurred in the year 1941, for the following specified purposes:

Outside Relief	$316.43
Infirmary, Maintenance and Expenses	20.89
Public Library	68.14
	$405.46

(Town Accountant.)

Voted: That the Town do pay the unpaid bills incurred in the year 1941 and that the sum of $405.46 be raised and appropriated therefor, said sum to be expended for the following specified purposes:

Outside Relief	$316.43
Infirmary, Maintenance and Expenses	20.89
Public Library	68.14

Unanimous.

Article 14. To see what action the Town will take regarding the disposition of unexpended balances of appropriations made for specific purposes as follows:

Christmas Lighting	$15.62
South School Rose Garden	32.37
Seward Road	2.82
Stanton Road	1.42
Care of Old Buildings	3.33
Chestnut Street	31.98
Grant Street	6.62
Road Machinery Fund	5.80
	$99.96

Voted: That the following unexpended balances be transferred to the Revenue Account for the year 1942:

Christmas Lighting	$15.62
South School Rose Garden	32.37
Seward Road	2.82
Stanton Road	1.42
Care of Old Buildings	3.33
Chestnut Street	31.98
Grant Street	6.62
Road Machinery Fund	5.80

and that the Town Accountant be and hereby is authorized to make such transfers on the books of the Town.

Article 15. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to issue and sell, from time to time, as occasions require, town notes, bonds or other evidences of indebtedness, for the purpose of defraying the cost of extending water mains or relaying water mains within the limits of the Town, to an amount not exceeding twenty-five thousand dollars ($25,000.00), pass any vote or votes relative thereto, or do anything in relation to the same. (Board of Selectmen.)

Voted: That the Town Treasurer be and hereby is authorized to issue and sell from time to time, as occasion requires, with the approval of the Selectmen, Town Notes or Bonds for the purpose of defraying the cost of extending and relaying water mains within the limits of the Town, to an amount not exceeding $15,000.00, said issue to be made under provisions of Section 8, Chapter 44, of the General Laws and amendments thereto. Unanimous.

Article 16. To see if the Town will vote to appropriate money

from the proceeds of a water loan or otherwise for the laying and relaying of water mains. (Board of Selectmen.)

Voted: That the sum of $15,000.00 be appropriated from the proceeds of the water loan authorized under Article 15 for the laying and relaying of water mains, said sum to be expended as follows: $5,000.00 to be available for use in defraying the town's share of the cost of W. P. A. Water Main Projects, and $10,000.00 available for use by the Water Department, the purchase of all materials, however, to be under the direction of the Superintendent of Public Works.

Article 17. To see if the Town will vote to raise and appropriate money for the maintenance of highways which have been constructed with State and County aid under Provisions of Chapter 90, General Laws, or do anything in relation thereto. (Superintendent of Public Works.)

Voted: That the Town do such maintenance work as is necessary on highways which have been constructed with State and County aid under provisions of Chapter 90, General Laws, the expense of which to be taken from the appropriation made therefor under Article 6.

Article 18. To see if the Town will vote to make an appropriation by transfer or otherwise for the improvement of Central Street, between Central Square and Elm Street; said money to be used in conjunction with any money which may be allotted by the State or County, or both, for this purpose; or take any other action in relation thereto. (Supt. of Public Works.)

Voted: That the subject matter of this Article be indefinitely postponed.

Article 19. To see if the Town will vote to raise and appropriate a sum of money, by the sale of notes, bonds or otherwise, for the improvement of a street or streets; said money to be used in conjunction with any money which may be allotted by the State or County, of both, for this purpose; or take any other action in relation thereto. (Supt. of Public Works.)

Voted: That the subject matter of this article be indefinitely postponed.

Article 20. To see if the Town will vote to purchase as an addition to the Public Works yard, land adjacent to said yard, owned by Joseph Butler, having an area of 54,541 square feet, raise and appropriate money therefor by the sale of notes, bonds or otherwise, or do anything in relation thereto. (Joseph Butler.)

Voted: That the subject matter of this article be indefinitely postponed.

Article 21. To see if the Town will vote to raise and appropriate money for erecting a fence enclosing any property which may be purchased under Article 20 of this Warrant, or do anything in relation thereto.

Voted: That the subject matter of this article be indefinitely postponed.

Article 22. To see if the Town will vote to rescind Article 21 passed at the adjourned town meeting, March 8, 1937, which provided that the Town do establish a Road Machinery Account, to which shall be credited all receipts received for the use or rental of road machinery, the proceeds to be appropriated as voted by the Town for Road Machinery purposes.

Voted: That for the purpose of properly establishing a Road Machinery Maintenance account, the vote passed under Article 21 at the adjourned town meeting held March 8, 1937, which provided that the Town do establish a Road Machinery Account, to

which shall be credited all receipts received for the use or rental of road machinery, the proceeds to be appropriated as voted by the town for Road Machinery purposes, be and hereby is rescinded.

Article 23. To see if the Town will vote to rescind Article 22 passed at the adjourned town meeting, March 8, 1937, which provided for the establishment of a Road Machinery Fund, for the purpose of purchasing, repairing and operating road machinery. (Finance and Advisory Board.)

Voted: That for the purpose of properly establishing a Road Machinery Fund, the vote passed under Article 22 at the adjourned town meeting held March 8, 1937, which provided for the establishing of a Road Machinery Fund, for the purpose of purchasing, repairing and operating road machinery, be and hereby is rescinded.

Article 24. To see if the Town will vote to establish a Road Machinery Maintenance Account, raise and appropriate money therefor, or do anything in relation thereto. (Finance and Advisory Board.)

Voted: That the Town do establish a Road Machinery Maintenance Account, and to which account shall be charged all expenses incurred for the repairing and operating of road machinery.

Voted: That all funds necessary for carrying out the preceding vote passed under this Article be taken from the appropriation made therefor under Article 6.

Article 25. To see if the Town will vote to raise and appropriate a sum of money to establish a Road Machinery Fund to which shall be credited all receipts received for the use or rental of road machinery or other automotive equipment, the proceeds to be appropriated as voted by the Town for the purpose of purchasing new road machinery or other automotive equipment, or do anything in relation thereto. (Finance and Advisory Board.)

Voted: That the Town do establish a Road Machinery Fund to which shall be credited all receipts received for the use or rental of road machinery or other automotive equipment, the proceeds to be expended only as appropriated from the Fund by vote of the Town for the purpose of purchasing new road machinery or other automotive equipment, and that the necessary funds for establishing said fund be taken from the appropriation made therefor under Article 6 of this warrant.

Voted: That the sum of $275.00 be appropriated from the Road Machinery Fund for the purchase and equipping of one second-hand half-ton pick-up truck for use in the Public Works Department.

Article 26. To see if the Town will vote to transfer the sum of $289.00, received from rental of road machinery to the Road Machinery Fund, or do anything in relation thereto. (Finance and Advisory Board.)

Voted: That $289.00, this being the sum received from the rental of road machinery, be transferred to the Road Machinery Fund, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 27. To see if the Town will vote to purchase a power shovel for the Public Works Department, raise and appropriate money therefor, or do anything in relation thereto. (Superintendent of Public Works.)

Voted: That the subject matter of this article be indefinitely postponed.

Article 28. To see if the Town will vote to purchase a ditcher

attachment for a power shovel for the Public Works Department, raise and appropriate money therefor or do anything in relation thereto. (Supt. of Public Works.)

Voted: That the subject matter of this article be indefinitely postponed.

Article 29. To see if the Town will vote to purchase two crawler sidewalk tractors equipped with snowplows for the Public Works Department, raise and appropriate money therefor or do anything in relation thereto. (Superintendent of Public Works.)

Voted: That the subject matter of this article be indefinitely postponed.

Article 30. To see if the Town will vote to purchase one dump truck (two yard body) equipped with snowplow for the Public Works Department, raise and appropriate money therefor or do anything in relation thereto. (Superintendent of Public Works.)

Voted: That the subject matter of this article be indefinitely postponed.

Article 31. To see if the Town will vote to purchase one angle-dozer tractor for the Public Works Department, raise and appropriate money therefor, or do anything in relation thereto. (Supt. of Public Works.)

Voted: That the subject matter of this article be indefinitely postponed.

Article 32. To see if the Town will vote to raise and appropriate a sum of money for the purchase of a gravel loader and authorize the disposal of one loading machine now on hand or do anything in relation thereto. (Supt. of Public Works.)

Voted: That the subject matter of this article be indefinitely postponed.

Article 33. To see if the Town will vote to raise and appropriate a sum of money for the purchase of a second hand truck for the Public Works Department (Water Department), or do anything in relation thereto. (Supt. of Public Works.)

Voted: That the subject matter of this article be indefinitely postponed.

Article 34. To see if the Town will vote to raise and appropriate a sum of money for the purchase of a portable air compressor for the Public Works Department, or do anything in relation thereto. (Supt. of Public Works.)

Voted: That the subject matter of this article be indefinitely postponed.

Article 35. To see if the Town will vote to construct a sewer in and through Penny Lane, so called, a distance of 890 feet, more or less, northerly together with connections with other sewers as the engineering necessity may require; raise and appropriate money therefor by the sale of notes, bonds or otherwise, and instruct the Selectmen to obtain releases or easements from owners of property through which such sewer or sewers may be constructed, authorizing the Town to enter upon and maintain such sewer or sewers over their respective land. (Karl V. Wolsey.)

Voted: That the subject matter of this article be indefinitely postponed.

Article 36. To see if the Town will vote to construct an enclosed drain substantially in the location of the present open ditch running through Colonial Park (so called), raise and appropriate money therefor by the sale of notes, bonds or otherwise, or do anything in relation thereto. (Residents of Colonial Park.)

Voted: That the Town do construct an enclosed drain substantially in the location of the present open ditch running through

Colonial Park (so called) for a distance of 284 feet more or less, and beginning at a point at or near Perkins Street, said drain to be constructed as a W. P. A. Project, the expense to be taken from the appropriation for W. P. A. Projects, and the Selectmen are instructed to obtain releases or easements from owners of property through which said drain may be constructed, authorizing the Town to enter upon and maintain said drain over their respective land.

Article 37. To see if the Town will vote to accept as a public town way, Gorham Avenue (so called), as laid out by the Board of Survey. (Irving L. Braynard and others.)

Voted: That the Town do accept as a public town way that part of Gorham Avenue (so called), starting at its intersection with Pond Street and running in a general westerly direction to a point to and including the intersection of Fairview Road (so called), a distance of 496 feet more or less, as laid out by the Board of Survey.

Article 38. To see if the Town will vote to resurface Gorham Avenue (so called), under the law relating to the assessment of betterments or otherwise, raise and appropriate money therefor, or do anything in relation thereto. (Irving L. Braynard and others.)

Voted: That the sum of $2,400.00 be raised and appropriated for the purpose of resurfacing, under the laws relating to assessment of betterments, that part of Gorham Avenue accepted as a public town way under the vote passed under Article 37 of this Warrant.

Article 39. To see if the Town will vote to accept as a public town way, Fairview Road (so called), between Wilson Road and Gorham Avenue, as laid out by the Board of Survey. (Charles E. Hill and others.)

Voted: That the Town do accept as a public town way Fairview Road (so called) between Wilson Road and Gorham Avenue as laid out by the Board of Survey.

Article 40. To see if the Town will vote to resurface Fairview Road (so called), between Wilson Road and Gorham Avenue, under the law relating to the assessment of betterments or otherwise, raise and appropriate money therefor, or do anything in relation thereto. (Charles E. Hill and others.)

Voted: That the sum of $925.00 be raised and appropriated for the purpose of resurfacing under the laws relating to assessment of betterments, Fairview Road, between Wilson Road and Gorham Avenue.

Article 41. To see if the Town will vote to construct a sewer in and through Gorham Avenue (so called), a distance of 496 feet, more or less, between Pond Street and Fairview Road, together with connections with other sewers as the engineering necessity may require; raise and appropriate money therefor by the sale of notes, bonds or otherwise, or do anything in relation thereto. (Irving L. Braynard and others.)

Voted: That the Selectmen be authorized to proceed with the construction, under the laws relating to assessment of betterments, of a sewer in and through Gorham Avenue, a distance of 496 feet, more or less, between Pond Street and Fairview Road, together with connections with other sewers as the engineering necessity may require; and that the Selectmen be instructed to obtain such releases or easements allowing the Town to enter upon such private lands as may be necessary for the purpose of construction and maintenance of said sewer or sewers as called for under this

Article, and that the sum of $1,750.00 be raised and appropriated for the purpose of said sewer construction.

Article 42. To see if the Town will vote to construct a sewer in and through Fairview Road, between Wilson Road and Gorham Avenue, a distance of 200 feet, more or less, together with connections with other sewers as the engineering necessity may require, raise and appropriate money therefor by the sale of notes, bonds or otherwise, or do anything in relation thereto. (Charles E. Hill and others.)

Voted: That the Selectmen be authorized to proceed with the construction under the laws relating to assessment of betterments, of a sewer in and through Fairview Road, between Wilson Road and Gorham Avenue, a distance of 200 feet, more or less, together with connections with other sewers, as the engineering necessity may require; and that the Selectmen be instructed to obtain such releases or easements allowing the Town to enter upon such private lands as may be necessary for the purpose of construction and maintenance of said sewer or sewers as called for under this Article, and that the sum of $825.00 be raised and appropriated for the purpose of said sewer construction.

Article 43. To see if the Town will vote to construct a granolithic sidewalk on the westerly side of Park Avenue, between Sherman Road and the Park Avenue Playground, a distance of 382 feet more or less, under the law relating to the assessment of betterments or otherwise, raise and appropriate money therefor by the sale of notes, bonds or otherwise, or do anything in relation thereto. (Albert P. Rounds.)

Voted: That the Town do construct a granolithic sidewalk on the westerly side of Park Avenue between Sherman Road and the Park Avenue Playground, a distance of 382 feet, more or less, said construction to be done as a W. P. A. Project and the necessary funds to be provided from the appropriation made for W. P. A. Projects.

Article 44. To see if the Town will vote to construct a granolithic sidewalk on the northerly and southerly sides of Stanton Road, between Seward Road and Park Avenue, a distance of 540 feet, more or less, under the law relating to the assessment of betterments or otherwise, raise and appropriate money therefor, by the sale of notes, bonds or otherwise, or do anything in relation thereto. (Residents of Street.)

Voted: That the Town do construct a granolithic sidewalk on the northerly and southerly sides of Stanton Road between Seward Road and Park Avenue, a distance of 540 feet, more or less, said construction to be done as a W. P. A. Project and the necessary funds to be provided from the appropriation made for W. P. A. Projects.

Article 45. To see if the Town will vote to construct a granolithic sidewalk on the easterly and westerly sides of Seward Road, between Chase Road and Stanton Road, a distance of 326 feet, more or less, under the law relating to the assessment of betterments or otherwise, raise and appropriate money therefor, by the sale of notes, bonds or otherwise, or do anything in relation thereto. (Residents of Street.)

Voted: That the Town do construct a granolithic sidewalk on the easterly and westerly sides of Seward Road, between Chase Road and Stanton Road, a distance of 326 feet, more or less, said construction to be done as a W. P. A. Project and the necessary funds to be provided from the appropriation made for W. P. A. Projects.

Article 46. To see if the Town will vote to purchase a motor pumping engine for use of the Fire Department, raise and appropriate money therefor, or do anything in relation thereto. (Chief of Fire Department.)

Voted: That the sum of $700.00 be raised and appropriated for the purchase and equipping of a motor pumping engine for the use of the Fire Department and that the engineers of the Fire Department be authorized to make said purchase.

Article 47. To see if the Town will vote to purchase a cruising automobile for the Police Department, raise and appropriate money therefor or do anything in relation thereto; and also authorize the disposal of one automobile now used by said department. (Captain of Police.)

Mr. Charles E. Crosby of the Finance and Advisory Board moved indefinite postponement. This motion was lost.

On motion of Mr. Arthur N. Newhall it was voted: That the sum of $700 be raised and appropriated for the purchase of a cruising automobile for the use of the Police Department.

On motion of Mr. Crosby it was voted: That for the purpose of providing the necessary funds for the purchase of a cruising automobile for the Police Department as voted under this article, there be appropriated the sum of $700.00, said sum to be raised as follows: from the levy of the current year, $425.00, by transfer of the sum of $275.00 from the appropriation for payment of 2 Extra Patrolmen, Salary, made at the adjourned town meeting, held on March 9, 1942; said automobile to be purchased by a committee consisting of: J. Clarence Nelson, Norman J. Lister, and Herbert H. Maguire, who shall have full power to trade or otherwise dispose of one automobile now used by the Police Department.

Article 48. To see if the Town will vote to raise and appropriate a sum of money for the purchase of a motorcycle equipped with radio for the police department and authorize said department to sell or turn in one motorcycle now on hand or do anything in relation thereto. (Captain of Police.)

Voted: That the subject matter of this article be indefinitely postponed.

Article 49. To see if the Town will vote to raise and appropriate a sum of money for the installation of a teletypewriter in the Police Department or do anything in relation thereto. (Captain of Police.)

Voted: That the subject matter of this article be indefinitely postponed.

Article 50. To see if the Town will vote to raise and appropriate money for the construction and installation of a wading pool, with the necessary piping for water supply and drain, on Steele Memorial Playground or do anything in relation thereto. (Park Commissioners.)

Voted: That the subject matter of this article be indefinitely postponed.

Article 51. To see if the Town will vote to furnish the rest room provided in the Town Hall for the women employed in the Town Hall, raise and appropriate money for same, appoint a committee to expend such sum as may be appropriated for this purpose, or do anything in relation thereto. (Board of Selectmen.)

Voted: That the subject matter of this article be indefinitely postponed.

Article 52. To see if the Town will authorize the Board of

Selectmen to petition the Director of Accounts of the Commonwealth, for an audit for the year 1942. (Town Accountant.)

Voted: That the Board of Selectmen be and hereby is authorized to petition the Director of Accounts of the Commonwealth for an audit of the books and accounts of the Town for the year 1942.

Article 53. To see if the Town will vote to authorize the Moderator to appoint a Committee to dispose of any or all obsolete materials and equipment of town departments now on hand, or do anything in relation thereto. (Board of Selectmen.)

Mr. Crosby moved that the Moderator be and hereby is authorized to appoint a Committee of three who shall have full power to dispose of any or all obsolete materials and equipment of town departments now on hand, said disposal to be by sale or otherwise as the committee may deem most advantageous to the Town; said committee shall forthwith file a written report with the Town Clerk of all sales, transfers, or other means of disposal of materials or equipment.

Mr. Edmond F. Dagnino offered an amendment to insert the words, "with the advice and consent of the Board of Selectmen" after the words, "now on hand." This amendment was voted.

Voted: That the Moderator be and hereby is authorized to appoint a Committee of three who shall have full power to dispose of any or all obsolete materials and equipment of town departments now on hand with the advice and consent of the Board of Selectmen, said disposal to be by sale or otherwise as the committee may deem most advantageous to the Town; said committee shall forthwith file a written report with the Town Clerk of all sales, transfers, or other means of disposal of materials or equipment.

Article 54. To see if the Town will vote to amend the Building and Plumbing Regulations of the Town of Stoneham by striking out Section 1 thereof and substituting the following section so as to read as follows: "Section 1. The Selectmen shall appoint an Inspector of Buildings, who shall also be Inspector of Wires (appointed under authority of Article IX of the Town By-Laws) and shall provide him, at the expense of the Town with suitable record books, permits and printed matter. He shall hold office for three years from May first in the year of his appointment and until his successor is appointed and qualified, unless otherwise removed for reasonable cause by the Board of Selectmen. He shall be able and experienced in building construction. He shall keep a record of the department and shall submit to the Selectmen annually a report of the business of his department and perform such other duties as may be required of him by the Board of Selectmen. His books and records shall, at all reasonable times, be open for inspection by any person having an interest therein. He shall deposit with the Town Clerk all books, records and other documents pertaining to his office, at the time his successor is appointed. The department for inspection of building shall be under the charge of the Inspector of Buildings, who shall, in accordance with the statutes and By-Laws issue permits for, and inspect the erection and alteration of buildings in the town." (Frederick P. Hanford.)

Voted: That the subject matter of this article be indefinitely postponed.

Article 55. To see if the Town will vote to change the term of office of its Selectmen from one year to three years and to elect at its annual meeting in 1943 one Selectman for the term of one year, one Selectman for the term of two years and one

Selectman for the term of three years and at each annual meeting thereafter elect one Selectman for the term of three years, or do anything in relation thereto. (Board of Selectmen.)

Mr. C. Frank Munger of the Finance and Advisory Board moved that the Town do change the term of office of its Selectmen from one year to three years and to elect at its annual meeting in 1943 one Selectman for the term of one year, one Selectman for the term of two years, and one Selectman for the term of three years, and at each annual meeting thereafter, elect one Selectman for the term of three years.

This motion was lost.

Article 56. To see if the Town will vote that the term of office of the Town Treasurer shall be for three years.

Voted: That the term of office of the Town Treasurer shall be for a period of three years in place of the present term of one year and that at its annual meeting in 1943 the Town shall elect a Town Treasurer for a term of three years.

Article 57. To see if the Town will vote that the term of office of the Tax Collector shall be for three years.

Voted: That the term of office of the Tax Collector shall be for a period of three years in place of the present term of one year, and that at its annual meeting in 1943 the Town shall elect a Tax Collector for a term of three years.

Article 58. To see if the Town will vote to accept as a public town way, North Avenue, from Perkins Street to Windsor Road as laid out by the Board of Survey.

Voted: That the subject matter of this article be indefinitely postponed.

Article 59. To see if the Town will vote to resurface North Avenue, from Perkins Street to Windsor Road, under the law relating to the assessment of betterments or otherwise, raise and appropriate money therefor, or do anything in relation thereto. (Residents of Street.)

Voted: That the subject matter of this article be indefinitely postponed.

Article 60. To see if the Town will vote to accept as a public town way, Windsor Road, from the southerly side of Avalon Road to the easterly side of Hampton Road, a distance of 665.5 feet, as laid out by the Board of Survey.

Voted: That the subject matter of this article be indefinitely postponed.

Article 61. To see if the Town will vote to resurface Windsor Road from Avalon Road to Hampton Road, a distance of 665.5 feet, under the laws relating to the assessment of betterments or otherwise, raise and appropriate money therefor, or do anything in relation thereto.

Voted: That the subject matter of this article be indefinitely postponed.

Article 62. To see if the Town will vote to accept as a public town way Hampton Road, from Windsor Road to Avalon Road, a distance of 315.5 feet, as laid out by the Board of Survey. (Residents of Street.)

Voted: That the subject matter of this article be indefinitely postponed.

Article 63. To see if the Town will vote to resurface Hampton Road from Windsor Road to Avalon Road, a distance of 315.5 feet, under the laws relating to the assessment of betterments or otherwise, raise and appropriate money therefor, or do anything in relation thereto. (Residents of Street.)

Voted: That the subject matter of this article be indefinitely postponed.

Article 64. To see if the Town will vote to accept as a public town way Avalon Road, from Windsor Road to the easterly side of Hampton Road, a distance of 362 feet, as laid out by the Board of Survey. (Residents of Street.)

Voted: That the subject matter of this article be indefinitely postponed.

Article 65. To see if the Town will vote to resurface Avalon Road from Windsor Road to the easterly side of Hampton Road, a distance of 362 feet, under the laws relating to the assessment of betterments or otherwise, raise and appropriate money therefor, or do anything in relation thereto.

Voted: That the subject matter of this article be indefinitely postponed.

Article 66. To see if the Town will vote to amend Article VIII of the By-Laws by adding the following section:

Section 4. "The Town Treasurer may in his discretion sell any land acquired by the Town through foreclosure of a tax title or through purchase of land of low value and execute, acknowledge and deliver on behalf of the town all the papers necessary to effectuate any such sale provided, however, that no such land shall be sold for less than the amount charged against it on the Treasurer's books except with the approval of the Selectmen." (George H. Holden and others.)

Voted: That the Town do amend Article VIII of the By-Laws by adding the following section to be known as Section 4:

Section 4. The Town Treasurer may in his discretion sell any land acquired by the Town through foreclosure of a tax title or through purchase of land of low value and execute, acknowledge, and deliver on behalf of the Town all papers necessary to effectuate any such sale provided, however, that no such land shall be sold for less than the amount charged against it on the Treasurer's books except with the approval of the Selectmen. Unanimous.

Article 67. To see if the Town will vote to amend Article 4 of the Town By-Laws entitled, "Committees," by adding thereto a new section to be known as Section 3, as follows:

Section 3. "The Moderator shall upon approval of this section and annually thereafter in the month of March, appoint a committee of three citizens of the Town to be known as the Town Organ Committee. This Committee shall have full charge of the Town Organ, make rules and regulations for its care and use, and supervise all repairs and maintenance thereon." (Committee on Installation of Organ.)

Voted: That the Town do amend Article 4 of the Town By-Laws entitled, "Committees," by adding thereto a new section to be known as Section 3, as follows:

Section 3. The Moderator shall upon approval of this section and annually thereafter in the month of March, appoint a committee of three citizens of the Town to be known as the Town Organ Committee. This Committee shall have charge of the Town Organ, make rules and regulations for its care and use, and supervise all repairs and maintenance thereon. Unanimous.

Article 68. To see if the Town will vote to give free use of the Town Hall to the Town Organ Committee on ten occasions during the year when the hall is not otherwise engaged, for the purpose of holding free organ recitals or concerts, or do anything in relation thereto. (Committee on Installation of Organ.)

Voted: That the Town do grant free use of the Town Hall to the Town Organ Committee on ten occasions during the year, when the hall is not otherwise engaged and for the purpose of holding free organ recitals or concerts.

Article 69. To see if the Town will vote to accept the gift of ten dollars ($10.00) given by Catherine M. Collier-Young for maintenance and repairs to the organ in the Town Hall, and to authorize the Selectmen to receive subsequent contributions for the same purpose, or do anything in relation thereto. (Board of Selectmen.)

Voted: That the Town do accept the gift of ten dollars given by Catherine M. Collier-Young for maintenance and repairs to the organ in the Town Hall, and that the Selectmen are hereby authorized to receive and accept in behalf of the Town any and all subsequent contributions for the same purpose, and that said contributions shall be kept in a fund to be expended for maintenance and repair of the organ in the Town Hall, as deemed necessary by the Town Organ Committee.

Article 70. To see if the Town will vote to amend the Town By-Laws by adding a new section under Article XII entitled "Miscellaneous Provisions", said section to be known as Section 22 and to read as follows:

Section 22. No person shall stand in any street or public way within the town for the purpose of soliciting a ride from the operator of any vehicle. (Captain of Police.)

Voted: That the subject matter of this article be indefinitely postponed.

Article 71. To see if the Town will vote to change the names of two public ways, now known as Park Avenue, and determine what names shall be given to said public ways. (Albert P. Rounds.)

On motion of Mr. Stephen Haseltine, Jr., of the Planning Board it was voted: That the public way accepted at a town meeting held June 27, 1895, running southerly from Park Avenue to Elm Street, be known as MacArthur Road.

Article 72. To see if the Town will vote to amend the Zoning By-Law by amending Article 1, Section 2, Item 8, under "Specified Purposes," by adding Item 8A to read as follows: The placing or parking of mobile trailers, whether used for dwelling or other purposes, shall not be construed as an accessory purpose that is proper and usual with residences for one family." (George E. MacNeil, Jr.)

Voted: That the subject matter of this article be indefinitely postponed.

Article 73. To see if the Town will vote to amend the Zoning By-Law by increasing the present limits of Residence "A" District, so as to include the following described area, to wit: Beginning at a point on Maple Street 100 feet distant from the northeast corner of Chestnut Street and Maple Street, thence running along the easterly side of Chestnut Street 100 feet distant from and parallel to the street line of said Chestnut Street to a point distant 100 feet from Montvale Avenue at the retail business district; thence turning at right angles and running 100 feet to Chestnut Street along the retail business district; thence turning and running at right angles along Chestnut Street to Maple Street thence turning and running along said Maple Street 100 feet to the point of beginning. (Planning Board.)

Voted: That the Town do amend the Zoning By-Law by increasing the present limits of Residence "A" District, so as to

include the following described area, to wit: Beginning at a point on Maple Street 100 feet distant from the northeast corner of Chestnut Street and Maple Street, thence running along the easterly side of Chestnut Street 100 feet distant from and parallel to the street line of said Chestnut Street to a point distant 100 feet from Montvale Avenue at the retail business district; thence turning at right angles and running 100 feet to Chestnut Street along the retail business district; thence turning and running at right angles along Chestnut Street to Maple Street; thence turning and running along said Maple Street 100 feet to the point of beginning. Unanimous.

Mr. Moore moved that the vote passed March 9, 1942, under Article 6, General Government, specifying the rate of disbursement of the amount appropriated for salary of the Board of Appeal Clerk, be hereby reconsidered.

Mr. Crosby moved adjournment. This motion was lost.

The vote was then taken on Mr. Moore's motion. This vote was not carried.

Adjourned 11.00 P. M.

Town Meeting, August 10, 1942

Agreeable to a warrant signed by the Selectmen, July 28, 1942, the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs met in the Town Hall in said town on Monday, August 10, 1942, at 7.30 o'clock P. M.

The tellers appointed to serve on the check lists were as follows: Charles H. Parsons, John F. McHale, Alice R. Worthen, Marie M. Burns, Ellen E. Hogan and Rena L. Wandless.

Two hundred seventy-six voters were checked on the list as being present.

The meeting was called to order by the Moderator, George E. MacNeil, Jr., at 8.00 o'clock P. M., and the warrant read.

Charles E. Crosby, Chairman of the Finance and Advisory Board, moved that a recess be declared, the meeting to reconvene at the call of the Moderator. This motion was carried.

During the recess, Fred A. Schneider, Chairman of the Board of Selectmen, presented a five-star "Emblem of Honor" pin to Mrs. John P. Lawson, 7 Hancock Street, and a four-star "Emblem of Honor" pin to Mrs. Henry H. Stoney, 90 Franklin Street, in recognition of the members of their families now serving in the armed forces of the United States.

Mr. Crosby offered the following resolution:

Resolved: That the Stoneham Committee on Public Safety representing more than fifteen hundred civilian defense workers, does hereby endorse, recommend, and urge the support of the laudable aims of the Stoneham Home Front Committee.

C. Frank Munger moved the adoption of the foregoing resolution and that the Town Clerk be instructed to spread the same on the records of the Town. This motion was carried.

The Moderator offered the following resolution:

Whereas, the United States of America is at war, with our principles of life, liberty and the pursuit of happiness assailed by enemies who would destroy them, and

Whereas, hundreds of Stoneham men and women are actively engaged in the armed forces of our Nation on the war front, and

Whereas, the people of Stoneham, Massachusetts, ever confident of our ultimate victory, yet realizing that the united efforts of all citizens will be required to win this war, have organized "The Stoneham Home Front Committee" with the two-fold pur-

pose of contributing to the war effort and preparing for the post-war adjustment period,

Therefore, be it resolved: That we, the citizens of Stoneham, in meeting assembled, embrace and endorse the purposes of the Stoneham Home Front Committee, as set forth in their constitution and by-laws as follows:

"To provide emergency aid and assistance to the Stoneham men and women serving in the United States armed forces and their dependents during the war and during the period of readjustment to civilian life after the war; to erect a fitting memorial dedicated to the sacrifice exemplified; to further a high degree of morale, both in the armed forces and at home; and to perpetuate our faith in the principle of 'life, liberty, and the pursuit of happiness'."

Mr. Edward P. Hughes moved acceptance of the Resolution as read, and that the Town Clerk be instructed to spread the same on the records of the Town. This motion was carried.

The Moderator also offered the following resolution:

Whereas, more than fifteen hundred men and women of Stoneham are actively engaged in the Civilian Defense Organization for the protection of life and property upon the home front, and

Whereas, this organization has developed a strong sense of civic responsibility among our people,

Therefore, be it resolved: That the citizens of Stoneham, in meeting assembled, go on record favoring the perpetuation of the Civilian Defense Unit as a civic organization to render community service after the war, and embrace and endorse the laudable aims of the Stoneham Home Front Committee.

Mr. John P. English moved the acceptance of the Resolution as read and that the Town Clerk be instructed to spread the same on the records of the Town. This motion was carried.

The Moderator then declared the recess at an end and reconvened the Town Meeting at 8.20 P. M.

Article 1. To see if the Town will vote to raise and appropriate money for Civilian Defense purposes as authorized by Chapter 487, Acts of 1941, by borrowing, transfer or otherwise, determine how the same shall be expended or do anything in relation thereto.

Voted: That the sum of $5,000.00 be appropriated for Civilian Defense purposes, to be expended by the Stoneham Public Safety Executive Committee for such purposes as are authorized by Chapter 487, Acts of 1941, that said appropriation be met by transfer from the unexpended balance of the appropriation made for the Town's share of W. P. A. projects at the adjourned Town Meeting held March 16, 1942, and that the Town Accountant be and hereby is authorized to make said transfer on the books of the Town.

Article 2. To see if the Town will vote to rescind the votes passed under Articles 43, 44 and 45 of the Annual Town Meeting held in March 1942 calling for construction of certain sidewalks in Park Avenue, Stanton Road and Seward Road as W. P. A. projects, or do anything in relation thereto.

Voted: That for the purpose of allowing the Town to construct sidewalks on MacArthur Road (formerly called Park Avenue), Stanton Road and Seward Road, the votes passed under Articles 43, 44 and 45 at the adjourned Town Meeting held March 16, 1942, which provided for construction of sidewalks on Park Avenue, Stanton Road and Seward Road as W. P. A. projects be and hereby are rescinded.

Article 3. To see if the Town will vote to construct a granolithic sidewalk on the westerly side of MacArthur Road, formerly called Park Avenue, between Sherman Road and the playground, a distance of 382 feet, more or less, under the law relating to the assessment of betterments or otherwise, appropriate money therefor by borrowing, transfer or otherwise or do anything in relation thereto. (Resident of MacArthur Road.)

Voted: That the Town do construct a granolithic sidewalk on the westerly side of MacArthur Road, formerly called Park Avenue, between Sherman Road and the playground, a distance of 382 feet more or less, under the laws relating to the assessment of betterments, and that the sum of $635.00 be appropriated for said construction, said appropriation to be met by transfer from the unexpended balance of the appropriation made for the Town's share of W. P. A. projects at the adjourned Town Meeting held March 16, 1942, and that the Town Accountant be and hereby is authorized to make said transfer on the books of the Town.

Mr. Albert P. Rounds offered the following motion: That in the construction of the sidewalks authorized under Article 3 and any other articles of this warrant, the requirements of Section 5, Article III of the Town By-Laws regarding the call for bids shall be observed. This motion was lost.

Article 4. To see if the Town will vote to construct a granolithic sidewalk on the northerly and southerly sides of Stanton Road, between Seward Road and MacArthur Road, formerly called Park Avenue, a distance of 540 feet, more or less, under the law relating to the assessment of betterments or otherwise, appropriate money therefor by borrowing, transfer or otherwise, or do anything in relation thereto. (Residents of Stanton Road.)

Voted: That the Town do construct a granolithic sidewalk on the northerly and southerly sides of Stanton Road, between Seward Road and MacArthur Road, formerly called Park Avenue, a distance of 540 feet more or less under the laws relating to the assessment of betterments, and that the sum of $925.00 be appropriated for said construction, said appropriation to be met by transfer from the unexpended balance of the appropriation made for the Town's share of W. P. A. projects at the adjourned Town Meeting held March 16, 1942, and that the Town Accountant be and hereby is authorized to make said transfer on the books of the Town.

Article 5. To see if the Town will vote to construct a granolithic sidewalk on the easterly and westerly sides of Seward Road, between Chase Road and Stanton Road, a distance of 326 feet, more or less, under the law relating to the assessment of betterments or otherwise, appropriate money therefor by borrowing, transfer or otherwise, or do anything in relation thereto. (Residents of Seward Road.)

Voted: That the Town do construct a granolithic sidewalk on the easterly and westerly sides of Seward Road, between Chase Road and Stanton Road, a distance of 326 feet more or less, under the laws relating to the assessment of betterments, and that the sum of $575.00 be appropriated for said construction, said appropriation to be met by transfer from the unexpended balance of the appropriation made for the Town's share of W. P. A. projects at the adjourned Town Meeting, held March 16, 1942, and that the Town Accountant be and hereby is authorized to make said transfer on the books of the Town.

Mr. John E. Buckley offered the following motion: That the grades of the sidewalks voted to be constructed under Articles 4

and 5 of this warrant be, at the property lines, the same as the grades of the center of the streets. This motion was lost.

Article 6. To see if the Town will vote to raise and appropriate by transfer or otherwise, the sum of fifteen hundred (1500) dollars for water services, or do anything in relation thereto.

Voted: That the sum of $1,500.00 be appropriated for water services, and that said appropriation be met by transfer from Available Water Surplus, and the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 7. To see if the Town will vote to raise and appropriate by transfer or otherwise, the sum of twenty-one hundred (2100) dollars for sewer services, or do anything in relation thereto.

Voted: That the sum of $2,100.00 be appropriated for sewer services, and that said appropriation be met by transfer from the unexpended balance of the appropriation made for the town's share of W. P. A. projects at the adjourned Town Meeting held March 16, 1942, and that the Town Accountant be and hereby is authorized to make said transfer on the books of the Town.

Article 8. To see if the Town will vote to raise and appropriate by borrowing, transfer or otherwise the sum of twelve hundred (1200) dollars for the following purposes: Welfare Traveling Expense, $100.00; Aid for Dependent Children, $700.00; Infirmary Maintenance, $400.00, or do anything in relation thereto.

Voted: That the following sums be appropriated for the purposes set forth in this Article:

Welfare Traveling Expense	$100.00
Aid for Dependent Children	700.00
Infirmary, Maintenance	400.00

and that the foregoing appropriations voted under this Article, totalling $1,200.00, be met by the following transfers of unexpended balances of appropriations made for the year 1942 at the adjourned Town Meeting held March 9, 1942:

From the appropriation for Outside Relief	$800.00
From the appropriation for Infirmary, Supt., Salary	400.00

and the Town Accountant be and hereby is authorized to make said transfers on the books of the Town.

Article 9. To see if the Town will vote to amend Article II, Section 5, of the Town By-Laws by striking out the word "three" appearing in the second sentence of said section and inserting in place thereof the word "ten" so that said Section 5 will read as follows: "Section 5. The Finance and Advisory Board shall duly consider the estimates and may confer with town boards, officers and committees and hold hearings, if they deem it advisable. The Board shall make a report of the matters so considered by it, with recommendations or suggestions relative thereto, and the same shall be published at least ten days before the business meeting. Said report of the Finance and Advisory Board, as published shall also contain a statement of the doings of the Board during the year, with such recommendations or suggestions as it may deem advisable on any matters pertaining to the welfare of the town."

Voted: That the subject matter of this article be postponed to the annual town meeting of 1943.

Article 10. To see if the Town will vote to appropriate, by transfer or otherwise, the sum of two hundred eighty-eight (288) dollars for the purpose of increasing the salaries of the two additional patrolmen, authorized at the Annual Town Meeting held

in March 1942, said increase to be at the rate of one dollar per day, or do anything in relation thereto.

Mr. Crosby moved: That the sum of $288.00 be appropriated for the purpose of allowing the Board of Selectmen to increase the salaries of the two additional patrolmen in the Police Department, whose appointment was authorized at the adjourned Town Meeting held March 9, 1942, said increase to be at the rate of one dollar per day, said appropriation to be met by transfer from the unexpended balance of the appropriation made for the Town's share of W. P. A. projects at the adjourned Town Meeting held March 16, 1942, and that the Town Accountant be and hereby is authorized to make said transfer on the books of the Town.

Mr. Willard C. Ames offered an amendment to this motion to change the amount to be appropriated from $288.00 to $549.00. This motion to amend was lost.

The motion as originally made was then carried.

Article 11. To see if the Town will vote to construct a sewer in and through William Street from the existing sewer therein westerly, a distance of 2,054 feet more or less, to a point 150 feet beyond the junction of William Street and DeWitt Road together with the connections with other sewers if necessary, raise and appropriate money therefor by the sale of notes, bonds or otherwise or do anything in relation thereto. (Residents of DeWitt Road.)

Voted: That the subject matter of this Article be indefinitely postponed.

Article 12. To see if the Town will vote to construct a sewer in and through DeWitt Road from the sewer called for in the preceding article to be constructed in William Street northerly a distance of 700 feet, more or less, together with connections with other sewers if necessary, raise and appropriate money therefor by the sale of notes, bonds or otherwise or do anything in relation thereto. (Residents of DeWitt Road.)

Voted: That the construction of a sewer as called for under this Article be indefinitely postponed.

Voted: That a committee of three, consisting of Albert E. Casey, Edward M. Noonan and Everett C. Hunt, be appointed for the purpose of conferring with the residents of DeWitt Road and making such investigation as may be necessary to determine, without expense to the Town, what further remedies, if any, can be provided by the residents of DeWitt Road to adequately provide for proper sewerage disposal in the DeWitt Road area, said committee to make its report to the Town at the next annual Town Meeting.

Article 13. To see if the Town will vote to accept, as a public town way, a private way, known as Seward Road, as laid out by the Board of Survey, extending northerly from the northern end of Seward Road, as previously laid out and accepted, a distance of two hundred feet. (Albert P. Rounds.)

Voted: That the subject matter of this article be indefinitely postponed.

Article 14. To see if the Town will vote to oil Seward Road from the northerly end thereof, as previously laid out and accepted, a distance of two hundred feet, raise and appropriate money therefor, by transfer or otherwise, or do anything in relation thereto. (Albert P. Rounds.)

Voted: That the subject matter of this Article be indefinitely postponed.

Article 15. To see if the Town will vote to accept, as a public

town way, Sherman Road (so-called) as laid out by the Board of Survey. (Albert P. Rounds.)

Voted: That the subject matter of this Article be indefinitely postponed.

Article 16. To see if the Town will vote to oil Sherman Road, raise and appropriate money therefor, by transfer or otherwise, or do anything in relation thereto.

Voted: That the subject matter of this Article be indefinitely postponed.

Adjourned at 10.05 P. M.

State Primary, Tuesday, September 15, 1942

Agreeable to a warrant signed by the Selectmen, September 1, 1942, the inhabitants of the Town of Stoneham, qualified to vote in Primaries met in Town Hall in said town, Tuesday, the 15th day of September, 1942, at 12.00 noon.

The meeting was called to order by Fred A. Schneider, Chairman of the Board of Selectmen, and the warrant read.

The tellers appointed by the Selectmen as required by law were sworn by the Town Clerk, and assigned to duty as follows:

Ballot Clerks: Republicans, Earle H. Donald, Donald J. Morrison; Democrats, John F. McHale, Alfred T. Peacock.

Tellers: Republicans, Carrie E. Bancroft, Lillian R. Gorham, Charles H. Parsons, Rena L. Wandless, Alice R. Worthen; Democrats, Catherine W. Ahern, Thomas E. Cahill, Annie E. Dolan, Helen V. Dougherty, Almond H. Smith.

Six boxes said to contain 4,841 Republican official ballots, and 1,650 Democratic official ballots were delivered to the ballot clerks who gave a receipt for the same.

The ballot boxes were opened, examined, the dials set at 0, locked and the keys given in charge of the Chairman and the polls declared open to receive ballots.

The Chairman appointed the following to serve as Tellers to canvass and count the votes, who were sworn by the Town Clerk: Republicans, Beulah J. Anderson, Ruth I. Best, Frederick E. Braun, Anita Cerchione, Louise Randall Elliott, Florence R. Ford, Bertha C. Moulton, Charles A. Owen, Ethel E. Piper, Joseph C. Thompson; Democrats, Annie E. Breagy, Annie L. Cody, Arline E. Cogan, Mary B. Fougere, Mary A. K. Hamill, Margaret A. McNaughton, Elizabeth A. Reynolds, Margaret E. Simkins, Florence E. Tole, Alice E. Walsh.

At eight o'clock in the evening, the polls were declared closed, at which time ballot box No. 1 registered 524, and ballot box No. 2 registered 568 as ascertained by the Town Clerk.

The check lists at the gates had the names of 1,092 persons checked as having received ballots, 949 Republican, 143 Democratic.

The number of ballots taken from the ballot boxes as counted by the Chairman was 1,092; 949 Republican, 143 Democratic.

The number of unused ballots returned to the Town Clerk was 5,399; 3,892 Republican, 1,507 Democratic.

All the Republican ballots cast, having been sorted and counted, the tally sheets signed by the Tellers, the blocks of ballots sealed, the total tally sheet proved and signed in accordance with the law, declaration of the same was made as follows:

State Election, Tuesday, November 3, 1942

Agreeable to a warrant signed by the Selectmen October 22 1942, the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs met in the Town Hall in said town, Tuesday, the third day of November, 1942, at six o'clock in the forenoon.

The meeting was called to order by Fred A. Schneider, Chairman of the Selectmen, and the Warrant read.

The Tellers appointed by the Selectmen as required by law were sworn by the Town Clerk and assigned to duty as follows:

Ballot Clerks: Republicans, Frederick E. Braun, Donald J. Morrison; Democrats, Frank J. McHale, Alfred T. Peacock.

Tellers: Republicans, Carrie E. Bancroft, Lillian R. Gorham, Alice R. Worthen, Ruth I. Best, Charles H. Parsons; Democrats, Helen V. Dougherty, Marie M. Burns, Helen M. Barry, Annie E. Dolan, Almond H. Smith.

Nine boxes said to contain 7,356 official ballots were delivered to the Ballot Clerks who gave a receipt for the same.

The ballot boxes were opened, examined, the dials set at 0, locked, and the keys given in charge of the chairman and the polls were declared open to receive ballots.

The chairman appointed the following to serve as Tellers to canvass and count the votes, who were sworn by the Town Clerk:

Republicans, Mary G. Blenkhorn, Margaret Butler, Anita Cerchione, Elsie deGruchy, Elsie B. Clark, Esther M. Dunbar, Louise R. Elliott, Florence R. Ford, Helen Jahnke, Margaret L. Joyce, Irene C. Larose, Marie Newcomb, Violet LeBrun, Virginia E. Marston, Laura E. B. MacKay, Bertha C. Moulton, Albert F. Orne, Ethel E. Piper, Susie W. Poore, Charles A. Owen, Ida Sharp.

Democrats: Catherine W. Ahern, Margaret J. Alward, Annie E. Breagy, Thomas E. Cahill, Arline E. Cogan, Anna H. Bosch, Annie L. Cody, Nellie A. Dannahy, Kathryn A. English, Mary B. Fougere, Mary A. K. Hamill, James H. Halpin, Gertrude Healy,

Ellen E. Hogan, Irene L. Hulme, Agnes N. Kelly, Velvin C. Kelly, Elizabeth A. Reynolds, Alice C. Walsh, Margaret Simkins, Florence E. Tole.

The Tellers appointed to canvass and count the votes were divided into groups of four, two Republicans and two Democrats in each group.

By unanimous consent of the Selectmen and Town Clerk the ballot boxes were opened at eight o'clock in the forenoon and ballots taken therefrom for the purpose of counting.

At eight o'clock in the evening the polls were declared closed at which time the ballot box No. 1 registered 1,971 and ballot box No. 2 registered 1,850 as ascertained by the Town Clerk.

The check lists at the gates had the names of 3,821 persons checked as having received ballots.

The check lists at the ballot boxes had the names of 3,821 persons as having voted.

The number of ballots taken from the ballot boxes as counted by the Chairman was 3,821.

The number of ballots returned to the Town Clerk was 3,584; 49 ballots were cast by absent voters.

All of the ballots cast having been counted, the blocks of ballots sealed, the tally sheets signed by the Tellers, tabulated, the total tally sheets signed by the Chairman, declaration of the same was made as follows:

Commonwealth of Massachusetts
County of Middlesex
City of Melrose

In accordance with the provisions of Section 215, Chapter 54 of the General Laws of Massachusetts, the City Clerk of Melrose, and the Town Clerks of Stoneham and Wakefield, being the City and Town Clerks of every city and town in Representative District number twenty-two within said County, met at the City Hall, Melrose, at noon on Friday, November 13th, A. D. 1942, being the tenth day succeeding the day of the State Election held on Tuesday, November 3rd, A. D. 1942, and then and there opened, examined and compared the copies of the records of votes cast at said election for the office of Representative, and determined therefrom that George J. Evans of Wakefield and Charles Gibbons of Stoneham and Joseph A. Milano of Melrose were elected to the office of Representative.

The following is a schedule of all persons for whom votes for Representative were given in said District and the number of votes given for each person, viz:

George Barner of Melrose	2
Fred V. P. Elliott of Wakefield (D)	5607
George J. Evans of Wakefield (R)	15144
Charles Gibbons of Stoneham (R)	13651
Mary Kelly of Stoneham	1
Joseph A. Milano of Melrose (R)	13776

In witness whereof, we the City Clerk of Melrose and the Town Clerk of Stoneham and the Town Clerk of Wakefield hereunto set our hands this 13th day of November, A. D. 1942.

RAYMOND H. GREENLAW, City Clerk of Melrose.
WINTHROP A. McCARTHY, Town Clerk of Stoneham.
CHARLES F. YOUNG, Town Clerk of Wakefield.

Commonwealth of Massachusetts

Middlesex, ss. January 22, 1942.

I, Winthrop A. McCarthy, duly elected and qualified Town Clerk of the Town of Stoneham in the County of Middlesex hereby certify that the following is a true copy of Article 11 of the warrant for a town meeting of said town duly called, warned and held on Monday, November 17, 1941, when said article was before said meeting.

Article 11. To see if the Town will vote to amend the Zoning By-Law by reducing the area requirements of Lot number six (6) on the Easterly side of DeWitt Road shown on a plan of land of T. A. Ercoline and M. A. DeWitt, dated June 21, 1938, recorded with Middlesex South District Deeds, Book 6271, Page 327, by moving the northerly line of said lot twelve feet in a southerly direction so that the front and back lines of said lot shall then each measure sixty-three feet and the area of said lot shall then be six thousand three hundred square feet, or do anything in relation thereto.

I further certify that acting under said Article 11 the following vote was passed:

Voted: That the Town do amend the Zoning By-Law by re-

ducing the area requirements of Lot number six (6) on the Easterly side of DeWitt Road shown on a plan of land of T. A. Ercoline and M. A. DeWitt, dated June 21, 1938, recorded with Middlesex South District Deeds, Book 6271, Page 327, by moving the northerly line of said lot twelve feet in a southerly direction so that the front and back lines of said lot shall then each measure sixty-three feet and the area of said lot shall then be six thousand three hundred square feet. Unanimous.

A true copy from the records.

WINTHROP A. McCARTHY, Town Clerk.

I also certify that no objections to the proposed amendment were filed in the office of the Town Clerk.

WINTHROP A. McCARTHY, Town Clerk.

Subscribed and sworn to before me this twenty-second day of January, 1942.

HARRY A. WILLIAMS, Notary Public.
My commission expires September 30, 1943.

March 16, 1942.

The foregoing amendment to By-Laws is hereby approved.

ROBERT T. BUSHNELL, Attorney General.

Commonwealth of Massachusetts

Middlesex, ss. April 15, 1942.

I, Winthrop A. McCarthy, duly elected and qualified Town Clerk of the Town of Stoneham in the County of Middlesex hereby certify that the following is a true copy of Article 66 of the warrant for a town meeting of said town duly called, warned and held on Monday, March 9, 1942, and adjourned to Monday, March 16, 1942, when said article was before said meeting.

Article 66. To see if the Town will vote to amend Article VIII of the By-Laws by adding the following Section:

Section 4. The Town Treasurer may in his discretion sell any land acquired by the Town through foreclosure of a tax title or through purchase of land of low value and execute, acknowledge, and deliver on behalf of the town all papers necessary to effectuate any such sale provided, however, that no such land shall be sold for less than the amount charged against it on the Treasurer's books except with the approval of the Selectmen.

I further certify that acting under Article 66 the following vote was passed:

Voted: That the Town do amend Article VIII of the By-Laws by adding the following Section to be known as Section 4:

Section 4. The Town Treasurer may in his discretion sell any land acquired by the Town through foreclosure of a tax title or through purchase of land of low value and execute, acknowledge, and deliver on behalf of the town all papers necessary to effectuate any such sale provided, however, that no such land shall be sold for less than the amount charged against it on the Treasurer's books, except with the approval of the Selectmen. Unanimous.

WINTHROP A. McCARTHY, Town Clerk.

Subscribed and sworn to before me this fifteenth day of April, 1942.

HARRY A. WILLIAMS, Notary Public.
My commission expires September 30, 1943.

Boston, Mass., April 24, 1942.

The foregoing amendment to By-Laws is hereby approved.

ROBERT T. BUSHNELL, Attorney General.

Commonwealth of Massachusetts

Middlesex, ss. April 15, 1942.

I, Winthrop A. McCarthy, duly elected and qualified Town Clerk of the Town of Stoneham in the County of Middlesex hereby certify that the following is a true copy of Article 67 of the warrant for a town meeting of said town duly called, warned and held on Monday, March 9, 1942, and adjourned to Monday, March 16, 1942, when said article was before said meeting.

Article 67. To see if the Town will vote to amend Article 4 of the Town By-Laws entitled "Committees" by adding thereto a new section to be known as Section 3, as follows:

Section 3. The Moderator shall upon approval of this section and annually thereafter in the month of March, appoint a committee of three citizens of the Town to be known as the Town Organ Committee. This Committee shall have full charge of the Town Organ, make rules and regulations for its care and use, and supervise all repairs and maintenance thereon.

I further certify that acting under Article 67 the following vote was passed:

Voted: That the Town do amend Article 4 of the Town By-Laws entitled "Committees" by adding thereto a new Section to be known as Section 3, as follows:

Section 3. The Moderator shall upon approval of this section and annually thereafter in the month of March, appoint a committee of three citizens of the Town to be known as the Town Organ Committee. This Committee shall have full charge of the Town Organ, make rules and regulations for its care and use, and supervise all repairs and maintenance thereon. Unanimous.

WINTHROP A. McCARTHY, Town Clerk.

Subscribed and sworn to before me this fifteenth day of April, 1942.

HARRY A. WILLIAMS, Notary Public.

My commission expires September 30, 1943.

Boston, Mass., April 24, 1942.

The foregoing amendment to By-Laws is hereby approved.

ROBERT T. BUSHNELL, Attorney General.

Commonwealth of Massachusetts

Middlesex, ss. April 15, 1942.

I, Winthrop A. McCarthy, duly elected and qualified Town Clerk of the Town of Stoneham in the County of Middlesex hereby certify that the following is a true copy of Article 73 of the warrant for a town meeting of said town duly called, warned and held on Monday, March 9, 1942, and adjourned to Monday, March 16, 1942, when said article was before said meeting.

Article 73. To see if the Town will vote to amend the Zoning By-Law by increasing the present limits of Residence "A" District, so as to include the following described area, to wit: Beginning at a point on Maple Street 100 feet distant from the northeast corner of Chestnut Street and Maple Street, thence running along the easterly side of Chestnut Street 100 feet distant from and parallel to the street line of said Chestnut Street to a point distant 100 feet from Montvale Avenue at the retail business district; thence turning at right angles and running 100 feet to Chestnut Street along the retail business district; thence turning and running at right angles along Chestnut Street to Maple Street;

thence turning and running along said Maple Street 100 feet to the point of beginning.

I further certify that acting under Article 73 the following vote was passed:

Voted: That the Town do amend the Zoning By-Law by increasing the present limits of Residence "A" District, so as to include the following described area, to wit: Beginning at a point on Maple Street 100 feet distant from the northeast corner of Chestnut Street and Maple Street, thence running along the easterly side of Chestnut Street 100 feet distant from and parallel to the street line of said Chestnut Street to a point distant 100 feet from Montvale Avenue at the retail business district; thence turning at right angles and running 100 feet to Chestnut Street along the retail business district; thence turning and running at right angles along Chestnut Street to Maple Street; thence turning and running along said Maple Street 100 feet to the point of beginning. Unanimous.

A true copy from the records.

WINTHROP A. McCARTHY, Town Clerk.

I also certify that no objections to the proposed amendment were filed in the office of the Town Clerk.

WINTHROP A. McCARTHY, Town Clerk.

Subscribed and sworn to before me this fifteenth day of April, 1942.

HARRY A. WILLIAMS, Notary Public.
My commission expires September 30, 1943.

Boston, Mass., April 24, 1942.

The foregoing amendment to Zoning By-Laws is hereby approved.

ROBERT T. BUSHNELL, Attorney General.

Perambulation of Boundary Lines Between Medford and Stoneham

Medford, November 28, 1942.

We, the subscribers, a committee from the City of Medford and one from the Town of Stoneham, having met according to appointment to perambulate the boundary lines between the said Medford and Stoneham, find said lines marked by bounds in accordance with the appended description,

We find that while there is a notation of the change in 1903 of location of Medford Corner 25 with respect to the Medford-Stoneham Road, the description of the new marker has not been given in previous perambulation reports. This has been done in the attached description of Corner 25.

For the City of Medford
HAROLD J. NICHOLSON,
Substitute for Alderman Bradley P. Howes.
GORDON S. ELLIS,
Substitute for Alderman Howard F. Alden.
For the Town of Stoneham
FRED A. SCHNEIDER.
CHARLES GIBBONS.
WINTHROP A. McCARTHY.

Medford Corner 24

Location—The corner is situated on the west side of a cart path, and on the east side of a wall, near the corner where it turns westerly about 1250' northwesterly from the dam between the middle and the south reservoirs.

Mark—The corner mark is a rough granite monument 3.5′ in height, and about 8½″x9½″ in section. The letter "M" is cut on the southwest face, "S" on the northeast face, "W" on the northwest face and "1" on the southeast face.

Directions—Follow Mount Vernon Street, Winchester, easterly to a cart path which leaves this street about 400′ westerly from the south reservoir at a point a few feet east of a gravel pit; thence northerly along the path about 1250′ to the bound on the westerly side.

Medford Corner 25

Location—The corner is situated on the easterly side of Fellsway West, formerly known as Forest Street in Medford and Main Street in Stoneham, on the southwest side of Spot Pond about two and a quarter miles northerly from Medford Square. It is at the edge of the water just north of an overpass which carries Fellsway West over a bridle path known as Brooks Road.

Mark—The marker is a granite monument 4′ high, 1′x1′ in section, with a pyramidal top and finished on all edges. There is an "S" cut in the north face, an "M" in the south face and the numbers "1903" in the east face. There is a drill hole and lead plug in the top center.

Medford Corner 26

Location—The corner is situated about two and a half miles north of Medford Square in an old stone wall which runs along the westerly side of a section of the old road to Stoneham. It is about a quarter mile northerly from Highland Avenue and about 45′ easterly from the wall of the street leading from Highland Avenue to Stoneham.

Mark—The corner mark is a rough granite monument, very irregular in shape, about 4.5′ in height, its full width being about 21″. The letter "M" is cut on the southeast face, "S" on the west face and "3" on the southwest face.

Medford Corner 27

Location—The corner is situated on very high land in Middlesex Fells, about 600′ north of Spot Pond Road, at a point about 1300′ westerly from its junction with Fells Parkway East. About 200′ northerly from the corner is a large pile of stones about 8′ high, known as "the Monument" or "Cairn", located upon a ledge. The corner is also about 250′ southwesterly from the cart path which passes to the north of the "Cairn".

Mark—The corner mark is a granite monument 3′ in height and 6½″x8″ in section. The letter "S" is cut in the northeast face, "M" on the northwest and southeast faces, and "7" on the southwest face.

Directions—Follow the roadway which leads northerly from the end of Fells Parkway East about 1600′ to a branch road leading westerly; thence by this latter road about 1600′ to a cart path leading northerly; thence northerly along the cart path 300′ and easterly by the same path about 200′; thence northerly through the woods about 150′ to the bound.

Copy of Authorization for Substitution

November 20, 1942.

I, Bradley P. Howes, Alderman of the City of Medford and member of the committee appointed for the purpose of perambulating the City boundaries as required by the General Laws and acting in accordance with such provisions, do hereby appoint

Harold J. Nicholson, City Engineer, to act as my substitute for this purpose.

(Signed) BRADLEY P. HOWES.
BRADLEY P. HOWES, Alderman.

I, Harold J. Nicholson, City Engineer, do hereby accept the above appointment.

(Signed) HAROLD J. NICHOLSON.
HAROLD J. NICHOLSON, City Engineer.

November 27, 1942.

Copy of Authorization for Substitution

November 20, 1942.

I, Howard F. Alden, Alderman of the City of Medford and member of the committee appointed for the purpose of perambulating the City boundaries as required by the General Laws and acting in accordance with such provisions, do hereby appoint Gordon S. Ellis of the City Engineer's office to act as my substitute for this purpose.

(Signed) HOWARD F. ALDEN.
HOWARD F. ALDEN, Alderman.

I, Gordon S. Ellis, do hereby accept the above appointment.

(Signed) GORDON S. ELLIS.
GORDON S. ELLIS, Engineer.

November 27, 1942.

Copy of Authorization for Substitution

September 29, 1942.

We, Fred A. Schneider and Charles Gibbons, Selectmen of Stoneham, required by the General Laws to perambulate bounds, and for the purpose of perambulating the boundary between the City of Medford and the Town of Stoneham in 1942, acting in accordance with said statute, do hereby appoint Winthrop A. McCarthy, Town Clerk, as substitute to act for Selectman Nicholas E. Apalakis, said Selectman Apalakis being on a military leave of absence.

(Signed) FRED A. SCHNEIDER,
(Signed) CHARLES GIBBONS,
Selectmen of Stoneham.

I, Winthrop A. McCarthy, Town Clerk, do hereby accept the above appointment.

(Signed) WINTHROP A. McCARTHY,
Town Clerk.

October 2, 1942.

REPORT OF BOARD OF SELECTMEN

To the Citizens of Stoneham:

At the annual election held Monday, March 2, 1942, Fred A. Schneider, Nicholas E. Apalakis and Charles Gibbons were elected Selectmen for the ensuing year, and as is customary, met the following Tuesday evening, March 3rd, and organized as follows: Fred A. Schneider, Chairman; Nicholas E. Apalakis, Secretary; Charles Gibbons, Disburser of Soldiers' Benefits.

Again, as in past years, the new Board sponsored a "Buy Local" campaign among the department heads, and it is a pleasure to note the substantial amount of material, supplies, etc., used by the Town were purchased from local merchants during the year.

Also, the Selectmen requested department heads to approve and forward for payment, all bills before the expiration of the "ten day, two per cent discount" period, as this procedure provides great saving to the Town through prompt payment of bills which permit discounting.

The Jury List has been revised according to the requirement of law, and the following jurors were drawn in the presence of the Town Clerk: Raymond P. Buck, Anthony Picano, Paul A. Gregg, Elliott M. Dorn, Waldo S. Robinson, Charles F. Towse, Esley J. McKnight, John E. O'Doherty.

On March 19th, the Selectmen officially accepted for the Town an orchestral organ given by Mr. and Mrs. Ralph R. Patch and installed in the Town Hall Auditorium. The proceedings of the acceptance were duly recorded in the minutes of the meeting of the 24th day of March.

The following appointments were made during the year: Clerk of the Board, Winthrop A. McCarthy; WPA Coordinator, James A. Munro; Town Counsel, Orvis H. Saxby; Registrars of Voters, Thomas E. Cahill, Henry W. Bickum; Supt. of Moth Work, Percival H. Wardwell; Forest Warden, William F. McCall; Inspector of Animals, William H. Rolfe; Slaughtering Inspector, William H. Rolfe; Inspector of Soldiers' and Sailors' Graves, Clarence E. Lent; Field Driver, J. Clarence Nelson; Fence Viewers, Fred A. Schneider, Nicholas E. Apalakis, Charles Gibbons; Building and Wire Inspector, Warren M. Mirick (resigned); Building and Wire Inspector, Oakes A. Elden; Dog Officer, Louis L. Davarich; Permanent Firemen, William F. McCall, Jr., John J. Graham, Permanent Patrolmen, Warren H. Barnes, George N. Savard; Board of Appeal, Forrest S. Blanchard; Associate Member of the Board of Appeal, Robert A. Wills; Measurer of Leather, Thomas H. Graham; Public Weighers, Edna L. McIntire, Viola H. Cleveland, George Parker, Winston N. Prescott, Helen K. Connell, Arthur O. Wheeler.

Thomas E. Cahill was appointed Agent for the Disburser of Soldiers' Benefits.

On March 24th, the Selectmen met with the Park Commissioners and appointed John E. O'Doherty, a member of the Park Commissioners, to fill the vacancy caused by the resignation of Nicholas E. Apalakis.

On August 12, 1942, Selectman Apalakis was granted a military leave of absence and Selectman Gibbons was appointed Secretary of the Board in his place.

On September 8th the Selectmen met with the Town Moderator, the Town Treasurer and the Town Clerk for the purpose

of filling the vacancy on the Board, caused by the military leave of absence granted Selectman Apalakis. It was voted unanimously not to fill the vacancy.

On September 22nd the Selectmen convened with the Finance and Advisory Board for the purpose of filling the vacancy on that Board caused by the resignation of Charles E. Crosby. Harry R. Dockam was elected a member of the Finance and Advisory Board in Mr. Crosby's place.

Harold R. Bradley, Patrolman, was granted a military leave of absence on November 31, 1942, and Thomas H. Finnegan was named military substitute patrolman under provisions of the Civil Service laws.

The Selectmen called a meeting of the WPA Committee on December 8, 1942, and it was voted to discontinue all WPA projects in Stoneham as of December 31st, and on the same night the Board voted to instruct the Town Counsel to prepare an article for the warrant for the annual town meeting in March 1943, calling for an increase of 15% in the pay of all town employees, and to notify the Finance and Advisory Board of said action.

At this time the Selectmen wish to extend their sincere thanks to the townspeople, elective officials, the various boards, committees, appointive officials and employees for their earnest efforts and loyal support in administering the affairs of the Town in an efficient, economical and unbiased manner.

FRED A. SCHNEIDER.
CHARLES GIBBONS.

Report of Town Counsel

To the Honorable Board of Selectmen:

Your Town Counsel begs to submit the following as the report of the Legal Department for the year 1942.

This department has acted promptly in all matters referred to it. The Town Counsel has maintained office hours regularly in the Town Hall on Tuesday evenings for the convenience of Town Officers and Boards and has also been in attendance by appointment on numerous other occasions.

There have been a number of damage claims involving defects in ways against the Town during the year. Some of these were dropped without suit; on other cases court action was brought. The policy of bringing such cases to trial has generally been continued which undoubtedly accounts in part for the decrease in the number of suits.

There has been considerable activity in tax foreclosure proceedings during the year including a final decree in favor of the Town obtained in the Zacoveritch case which had been pending for some time. This case is declared by Land Court Clerks to be one of the most involved tax foreclosure cases to come before that Court. At the request of the Town Treasurer a large number of new tax foreclosure cases were entered during the year, many of which have been completed.

Among various special duties performed by this department are included:

Appearance at Appellate Tax Board cases for the Board of Assessors.

Preparation of releases and easements for the Board of Public Works.

Collection letters for accounts due the School Department.

Action on cases for the Cities of Malden and Boston, and the Town of Saugus regarding Welfare settlements.

Settlement of claims for damage to Town property caused by motor vehicles.

Preparation of mortgages and bonds for the Old Age Assistance Bureau.

Preparation of easements and agreements concerning Penny Lane Sewer construction.

Execution of contracts and releases for use of the Old Armory by the United States Government.

Preparation of contracts for purchase of coal.

Attendance at billboard hearings before the Department of Public Works.

Attendance at hearings before the Civil Service Commission on Police Department matters.

Action on behalf of the Building Inspector on property of the Federal Deposit Insurance Company.

Attendance Land Court hearings in tax foreclosure cases.

The Town Counsel has also furnished a great many verbal rulings and written opinions to various Town Officers and Boards and been in attendance at all Town Meetings during the year. He has also attended various meetings of the Massachusetts Association of Town Counsel and City Solicitors and been present at other conferences pertaining to municipal matters.

It has again been possible for this department to report a minimum of expense despite an ever increasing volume of work. The continued kind co-operation of all Town Officers and employees has made the work of your Town Counsel most pleasant throughout the year and has been most deeply appreciated.

Respectfully submitted,

ORVIS H. SAXBY, Town Counsel.

Report of Police Department

December 31, 1942.

To the Honorable Board of Selectmen,
and Police Commissioners:

Gentlemen: — I have the honor to submit, as Captain of Police for the Town of Stoneham, the following report for the year ending December 31, 1942.

The regular members of the Police Department are: Captain J. Clarence Nelson, Sergeants John G. O'Brien, and William H. O'Toole, Patrolmen Dennis L. McKinnon, George E. Johnson, Thomas J. Flynn, Andrew J. Tuney, John P. Judge, Robert H. Bradley, George J. McDonough, Ellis B. Bradshaw, George N. Savard and Warren H. Barnes. Reserve Officers: Thomas H. Finnegan, Walter R. Burns and John G. McHale.

Value of Property Found	113.00
Amount of Fines Imposed	3,808.00
Amount of Fines Received by Town	2,154.94

Imprisonment Imposed: 58 Months 10 Days.

RECOMMENDATIONS

I recommend that, as soon as possible, a teletype be installed so that this Department will be in contact with the other Police Departments in this State.

I recommend that a new Motorcycle be purchased and the Motorcycle now held by the Department be traded.

The demands upon the Department for special services in the interests of the citizens are constantly increasing. Not only must the most modern methods be used for prevention of crime, and detection and apprehension of criminals, but the safeguarding of the homes and property and business establishments of the people of Stoneham requires an ever-increasing vigilance and supervision due to the exigencies of the times in which we live.

I believe that the primary obligation of a Police Department is the protection of the lives and property of the citizens and to make the homes, streets, and places of business safe for our people at all hours of the day and night by concentrating as far as humanly possible with every effort toward prevention of crime.

On October 27, 1942, Patrolman Robert H. Bradley was granted a leave of absence under the provisions of Chapter 708, Acts of 1941, to enable him to enter the U. S. Navy.

On December 4th, 1942, Reserve Officer Thomas H. Finnegan was appointed a Military Substitute Patrolman for an indefinite period.

Auxiliary Police are closely associated with the police in the performance of their duties.

I am happy to pay tribute to Chief William S. Coy, and to the members in the splendid manner in which these public-spirited citizens have volunteered and performed their duties in the several air raid blackouts, and C. P. X. tests that have already occurred.

Men of the Auxiliary Police gain much from regular attendance at meetings and it is hoped that their spirit and attendance will continue 100% during the "Waiting Period" for the day they may be called to duty, which may never arise.

It is hoped that within a short time at least, 100 men will be on the active list, attending meetings regularly, participating in instruction talks.

The Captain desires at this time to express his grateful appreciation for the co-operation and support given to him by the Honorable Board of Selectmen, the various units of Civilian Defense also to all departments of the Town.

Respectfully submitted,

J. CLARENCE NELSON,
Captain of Police and Lockup Keeper.

Report of Fire Department

To the Honorable Board of Selectmen:

Gentlemen: — The Engineers of the Fire Department respectfully submit the following report:

There have been 221 alarms as follows: 129 bell alarms and 92 stills.

There have been used at fires 26,850 feet of hose, 1,106 feet of ladders and 1,576 gallons of chemical.

Value of Property Endangered	$734,900.00
Insurance thereon	617,500.00
Estimated Loss	14,609.00
Insurance Paid	14,082.00
Net Loss	527.00

The motor equipment is in good working condition and our two modern pumpers should last for many years. Our ladder truck is 20 years old and we honestly believe it should be replaced at the earliest opportunity. We also have a 500 gallon pumper (used) which will be in commission early in February 1943.

This will not only serve as a brush fire piece but also as an extra unit at any or all fires.

We feel that while replacements should be made, that due to uncertain conditions and the great demands of the war effort that we should postpone any requests for this year at least.

Our permanent force has been strengthened by the addition of two men.

We have an auxiliary fire unit of about 50 men and young men, all trained and fully equipped with rubber boots, rubber coats and steel helmets. These men have schooled in first aid and in fire fighting, and have been very faithful in their attendance and drills. They have been a real help at fires and we would like to express our appreciation.

We would also thank the Board of Selectmen for their co-operation and encouragement, and to thank the Police Department for their assistance and co-operation at fires.

We would also commend the officers and men of the Fire Department for their prompt response and efficient performance of their duties.

For detail of expenditure see Town Accountant's Report.

Respectfully submitted,

WILLIAM F. McCALL,
FRED L. NEWHALL,
Board of Fire Engineers.

Report of Building Inspector

To the Honorable Board of Selectmen:

Gentlemen: — I herewith submit my report as Building Inspector for the year 1942 as follows:

Permits Issued	80		
Dwellings	18	Estimated Cost	$66,600.00
Garages	8	" "	2,850.00
Alterations and Additions	34	" "	14,625.00
Removal and Demolish	10		
All Others	10	" "	6,600.00
Estimated Value			$90,675.00
Total amount collected and paid to Town Treasurer			$178.00

Respectfully submitted,

OAKES A. ELDEN, Building Inspector.

Report of Wire Inspector

To the Honorable Board of Selectmen:

Gentlemen: — I herewith submit my report as Wire Inspector for the year 1942 as follows:

Permits issued	139
Elevator Licenses	2, and 5 renewals
Total amount collected and paid to Town Treasurer	$93.00

Respectfully submitted,

OAKES A. Elden, Wire Inspector.

Report of Inspector of Animals

To the Honorable Board of Selectmen.

Gentlemen: — I hereby submit my report as Inspector of Animals for the year ending December 31, 1942.

The dairies are in good condition considering this time of year. An animal inspection was ordered by the Division of Livestock

Disease Control and blanks received for reporting same. All premises where cattle, etc., are kept were inspected and conditions reported as found. Suggestions for improvement of stable conditions where considered necessary were given.

There were several reactors found within the limits of the town and the premises where these cows were located were properly cleansed and disinfected by the owners.

There were a large number of dog bites reported to me by the Board of Health and Police Department. These cases were all investigated and the dogs placed under quarantine as required by law for a period of fourteen days and were not released until ordered by the State Department. There have been no cases of rabies during the year.

Respectfully submitted,
WILLIAM H. ROLFE, Inspector of Animals.

Report of Sealer of Weights and Measures

To the Honorable Board of Selectmen.

Gentlemen: — The year just past has brought many changes for everyone.

The establishment of Civilian Defence headquarters made necessary the moving of the Sealer's office. My equipment has been very comfortably installed in a smaller room and the work has been carried on without any serious interruption.

Gasoline and oil rationing has entailed considerable extra work on all Sealers in Massachusetts and an added vigilance regarding gasoline and oil dispensing. All the added details have been covered, however, in addition to the regular work. The dealers in these commodities have been very co-operative and their attitude has been much appreciated.

During the year fees to the amount of $59.68 have been collected and turned over to the Town Treasurer whose receipt I hold.

A summary of the work performed follows:

Device			
SCALES			
Platform, 10,000 lbs. and over	1	4	
Platform, 100 to 5,000 lbs.	6	9	
Counter, 100 lbs. or over		3	
Counter, under 100 lbs.	2	12	
Spring, under 100 lbs.	8	18	
Computing, under 100 lbs.	15	33	
Personal Weighing		5	
Prescription		1	
WEIGHTS			
Avoirdupois		93	1
Apothecary		9	
Liquid Measures, 1 Gallon or less		36	
AUTOMATIC MEASURING DEVICES			
Meters, 1 inch inlet	10	59	
Meters, over 1 inch inlet		2	
Gasoline Measuring Pumps		3	
Oil Measuring Pumps		4	
Grease Measuring Pumps		12	
Yard Sticks		8	
Total	42	311	1

In addition to the above, many inspections of package goods have been made.

Respectfully submitted,
J. A. FORBES, Sealer of Weights and Measures.

Report of Public Weigher

To the Board of Selectmen:

I respectfully submit the following report of weighing on the town scales for the year 1942:

158	loads at	10c	$15.80
26	" "	15c	3.90
17	" "	20c	3.40
5	" "	25c	1.25
1	" "	30c	.30
1	" "	35c	.35
1	" "	50c	.50
1	" "	60c	.60
			$26.10

Respectfully submitted,
ARTHUR O. WHEELER, Public Weigher.

Report of Superintendent of Public Works

To the Honorable Board of Selectmen:

I respectfully submit the report of the Public Works Department for the year 1942.

Sewer Department

	App.	Exp.
Superintendent's Salary	$250.00	$250.00
Senior Clerk Salary	165.00	165.00
Junior Clerk Salary	136.80	136.80

Sewer Maintenance

Stoppages in both main and service pipes received immediate attention as soon as reported and a monthly inspection was made of dead end mains. Careful supervision was given to the operation and maintenance of the sewer stations situated at the Elm Street and Upland Road. Available funds would only allow for cleaning approximately fifty per cent of the common sewer mains.

Expended		$1,940.23
Balance		.24

Penny Lane and Elm Street

K. V. Wolsey paid the cost of this extension. The relaying of 213 feet of the Elm Street common sewer was difficult because of other underground lines (water, gas, electric and storm drains) and the traffic over the street (Route 28). An average cut of 13 feet was made through running gravel in Penny Lane.

Jr. Clerk's Salary	197.60	$2.80	200.40	

Maintenance

The Town's drainage, including brooks, culverts, and catch basins, was inspected and cleaned twice during the year to remove lumber and debris.

Drains were laid in the following locations:

W. W. Fiske Coal Yard, B. & M. R. R. Track to Sweetwater Brook, 15" Concrete 123', 1 manhole; Central Street near Wolcott Road, 18" R. C. 42', 1 catch basin; Wilson Road near Parkway Road, 12" V. C. 25', 1 catch basin.

Surfaces Honed

Albion Street, entire length; Bellevue Road, entire length; Chestnut Street, Montvale Avenue to Gilmore Street; Columbus Avenue, entire length; Converse Street, Bellevue Road to Wakefield line; Crescent Avenue, entire length; Dean Street, entire length; Elm Street, Main Street to 40' West of Albion Avenue; Ferdinand Street, entire length; Flint Avenue, entire length; Gerry Street, Main Street to Warren Street; Hancock Street, Main Street to Summer Street; Isabella Street, entire length; Lindenwood Road, Main Street to Cottage Street; MacArthur Road, Sherman Road north 430'; Middle Street, entire length; Morrison Road, Bellevue Road to Wakefield line; North Street, Main Street to Wakefield line; Orris Street, Perkins Street to Melrose line; Park Avenue, MacArthur Road to Wakefield line; Pearl Street,

entire length; Perkins Street, Franklin Street to Melrose line; Pine Street, entire length; Rowe Street, entire length; Stevens Street, entire length; Union Street, entire length; Walnut Street, entire length; Waverly Street, entire length; William Street, Main Street 50' West of Cottage Street.

Other street surfaces were closely examined and repaired if needed.

The Department made plans for and supervised the drains laid by the W. P. A. in Isabella and Franklin Streets.

Chapter 90 Maintenance

The maintenance work specified by the Massachusetts Public Works Department on highways constructed with State and County aid under provision of Chapter 90, General Laws, was completed by early fall. The work consisted of surface repairs, and maintenance of drainage, guard rails and town line signs. An embankment on Maple Street was sloped and sodded and 90 feet of 6 inch curb was added. Curbing was placed at the southwest corner of Elm and Washington Streets.

Town Appropriation	$1,000.00	
Receivable from State	997.93	
Receivable from County	997.93	
Total		$2,995.86

Equipment	546.00	
		$2,993.79
Balance		2.07
Net cost to Town		$997.93

Chapter 90 Construction

Limitations of critical materials prevented an early start on resurfacing Central Street. Certification for the purchase of tar was secured late in the year and surface specifications were then revised calling for the double honing process using pea gravel, sand and tar. This maintenance work should last for the duration and plans should be formulated for building a permanent surface at a later date.

Part of the cost of this work was charged to the Chapter 90 Maintenance appropriation and the remainder was charged to the 1941 Chapter 90 Construction appropriation by mutual agreement of State, County and Town officials.

Balance 1941 Appropriation		$4,451.89
Labor	$563.37	
Pea Gravel, etc.	343.40

Fairview Road and Gorham Avenue Construction

Drainage constructed in 1942. Fairview Road 12" concrete 267', 2 manholes and 2 catch basins; Gorham Road, 12" concrete 233', 1 manhole and 2 catch basins.

The above construction was begun and finished following the completion of the sewer extensions in these streets. We were unable to complete the surfacing of these roads due to the large amount of construction work assigned to the department after the Annual Town Meeting. The street construction will be finished in 1943.

Truck Hire	50.64	
All Other	57.56	
Expended		2,132.17
Balance		$692.83

Street Signs and Beacons

Defective traffic light cable was replaced at Elm and Central Streets and in Central Square. Operation of lights was made to conform to new dimout regulations and lenses were painted and masked inserted behind the lenses to reduce the amount of light emitted. It was found that infrequent operation of the lights caused the controls to gum up and operate in a sluggish manner during cold spells due to the lubricating oil congealing. Heaters will have to be installed in the control boxes to overcome this difficulty.

Traffic light controls were inspected once a week and their maintenance provided for. Crosswalks and traffic warnings were regularly painted. Existing street and other regulatory signs were painted and repaired when required.

Appropriation		$1,650.00
Labor	$392.66	
Maintenance of Street Signs	68.73	
Maintenance of Parking Signs	8.00	
Electric Current	543.13

WATER CONSTRUCTION

New Hydrants

Penny Lane, near No. 7, 6 inch Smith Hydrant.

Hydrants Replaced

Obsolete hydrant opposite No. 7 Dale Court was replaced by 6 inch Smith Hydrant.

Obsolete hydrant, William Street near Main Street, replaced by 6 inch Smith Hydrant.

The following extensions were made by the Public Works Department.

Cherry Avenue

On Cherry Avenue an extension of 333 feet of 4 inch Plain Cast Iron Pipe and 12 feet of 6 inch Cement Lined Cast Iron Pipe was laid. The 4 inch pipe was removed from another street and the pipe cleaned before being relaid on Cherry Avenue. A new 6 inch gate was installed at East Street and a blow-off placed at the end of the main.

Penny Lane

On Penny Lane, an extension of 826 feet of 8 inch Cement Lined Cast Iron Pipe was laid.. Three new 8 inch gates were installed at Elm Street and a blow-off placed at the end of the main. A new 6 inch hydrant and gate was also installed.

Pleasant Street

On Pleasant Street, 77 feet of 12 inch Cement Lined Cast Iron Pipe was laid across Central Street replacing the old 12 inch cement pipe. Two new 12 inch gates were also installed.

Wolcott Road

On Wolcott Road, an extension of 145 feet was made to eliminate two dead ends. Six inch plain Cast Iron Pipe was used. This was reclaimed pipe.

The following extensions were made by the W. P. A. under the supervision of the Public Works Department. The water project was closed after the relay on Chestnut Street was started and this relay was completed by the P. W. D. All resurfacing of streets was done by P. W. D.

Chestnut Street

On Chestnut Street, 144 feet of 8 inch Cement Lined Cast Iron Pipe was laid replacing old 6 inch cement pipe. Two new 8 inch gates were installed at Chestnut and Gilmore Streets.

Flint Avenue

On Flint Avenue, 765 feet of 8 inch Cement Lined Cast Iron Pipe was laid replacing old 6 inch cement pipe which was in a very poor condition and was giving us trouble every year. Two new 8 inch gates were installed at Cottage Street; two new 8 inch gates at Rowe Street; and one new 8 inch gate at Main Street. We also installed a new 12 inch gate on the Main street line at Flint Avenue.

Lindenwood Road

On Lindenwood Road, 770 feet of 8 inch Cement Lined Cast Iron Pipe was laid from Cottage to Main Street, replacing old 6 inch cement pipe. At Cottage Street, two new 8 inch gates were installed; two new 8 inch gates at Rowe Street; and one new 8 inch gate at Main Street.

Rowe Street

On Rowe Street, 356 feet of 6 inch Cement Lined Cast Iron Pipe was laid replacing old 4 inch and 6 inch cement pipe. Two new 6 inch gates were installed, one at Flint Avenue and one at Lindenwood Road.

William Street

On William Street, 340 feet of 8 inch Cement Lined Cast Iron Pipe was laid replacing old 6 inch cement pipe. Two new 8 inch gates were installed at Cottage Street and a new 6 inch hydrant and gate at Main Street.

I wish to extend my sincere thanks to the Honorable Board of Selectmen for the interest and co-operation manifested by them in all matters pertaining to this department. I appreciate the fine spirit of co-operaton accorded me by the heads of the various town departments and the members of the Public Works Department.

Respectfully submitted,

ALBERT E. CASEY, Superintendent of Public Works.

REPORT OF BOARD OF PUBLIC WELFARE

To the Citizens of the Town of Stoneham:

The Board of Public Welfare herewith submits its annual report for the year 1942. On March 4 the Welfare Board met and organized as follows:

Chairman, Frank M. Simons.
Secretary, Thomas M. Hurley.
Clerk, Alton W. Estes.

On March 18 the following appointments were made:

Daniel Cullinane, Welfare Agent and Referral Agent for the W. P. A., N. Y. A. and the C. C. C.

Paul Houghton, Clerk.

Dr. Max Klainer, Welfare Physician.

William Rolfe, Superintendent of the Infirmary and Gertrude Rolfe, Matron.

At the annual town meeting this board was given an appropriation to employ an additional clerk. This appointment was to be made from the Civil Service list and on November 23, Miss Anna McHugh was appointed to this position. Prior to her appointment clerical help was used on a provisional basis through authorization of the Civil Service.

In our report of the previous year we called the citizens attention to the fact our office would be placed in an embarrassing position if Mr. O'Loughlin and Mr. Houghton were called into the armed services. They have now both entered the service, Mr. O'Loughlin on October 1 and Mr. Houghton on November 23. Fortunately they were able to be with us a greater part of this year and with our present low case load on Welfare, the Agent has been able to spare the time to train the entire new personnel which were employed to take the place of the two members now out for the duration of the war.

Through the action of the annual town meeting we were again given the authority to employ a Welfare Physician. Dr. Max Klainer was appointed to this office on April 22 and served until December 1, when he entered the armed services as a doctor. We are now without the services of a Physician and are depending upon the other doctors in town who have generously agreed to help us in this situation.

Due to the many opportunities for work in the defense program and also work created by vacancies due to the above reasons our case load and General Relief has been the lowest for about ten years. Owing to this fact our board decided that further continuation of the Surplus Commodities Store was no longer a necessity and on September 16 they voted to discontinue the same. It was, however, open for distribution of milk and clothing until the final withdrawal of W. P. A. from Stoneham on December 31 by the Board of Selectmen.

Many improvements have been made at the Town Infirmary during the year, the details of which will appear in the Infirmary report.

The same policy as in previous years has been followed in conducting the affairs of this department. All applications and investigations are handled by the Agent and are reviewed at the weekly meetings of the Board at which time they are either approved or amended and the policies of the department are made and discussed at these weekly meetings.

Our Outside Relief cases dropped considerably during the year and cost was very much less than the year 1941. This decrease

was due to the many opportunities for work for both men and women because of the war. We do not anticipate that there will be much change in our present case load for the duration. We always have a certain number of cases to be taken care of who are unemployable on account of age or infirmities and this is what our case load consists of at the present time. We present the following analysis of our case load in comparison with the same periods of the previous year.

Comparison of Cases Aided 1941-1942

	1941		1942	
	Cases	Persons	Cases	Persons
January	98	336	85	247
February	85	289	79	242

State Hospital	0	0	0
Unemployables	19	18	10
	65	52	32

Aid to Dependent Children

We have increased this category of cases during the year and now have 19 cases which are receiving this form of aid. Owing to the broadening of the requirements of eligibility in this form of relief this category will show a definite increase from year to year. In this form of aid the Federal Government and the State reimburse together about one-half the cost of the case but in doing so the matter of settlement is disregarded.

The following analysis of this category of relief shows the activity during the year:

			Cases	Children
Cases beginning January 1, 1942			16	37
Cases added during the year			7	17
Total cases added			23	54
	Cases	Children		
Less cases closed	4	6		
Less children closed		2	4	8
Net cases December 31			19	46

Helen Stockwell Fund

We were the recipients of $467.74 from the trustees of the Stockwell Fund this year. We have been able to aid six cases with hospitalization during the year from this fund.

This fund is used for hospitalization for needy cases in the Town of Stoneham at the New England Sanitarium and it is agreed that they will be people who are not enrolled as Welfare Recipients. It has been been used to good advantage and has been the means of providing needed medical attention for several people.

The following schedule is an analysis of the expenditures of this fund:

Funds received	$467.74
Less amount used	443.42
Balance	$24.32

Summary of Cases

2 Medical 24 days	$131.80
3 Surgery 58 days	243.50
1 Maternity 12 days	68.12
6 Cases 94 days	$443.42

We again invite any of the citizens to make recommendations to this board which would mean more efficiency and allow us to do a better job.

The assistance and co-operation of the officials and staff of the New England Sanitarium, Red Cross, Visiting Nurse, other Associations, all Town Boards, officials and employees who have made it possible for us to carry on is appreciated.

Respectfully submitted,

FRANK M. SIMONS, Chairman.
ALTON W. ESTES, Clerk.
THOMAS M. HURLEY, Secretary.

Report of Superintendent of Town Infirmary

To the Board of Public Welfare,

Gentlemen: — I hereby submit my report for the year ending December 31, 1942.

Number of patients cared for	34
Largest number of patients at one time	26
Number discharged to care for self	3
Number of deaths	2
Total number of patient days	8,300
Total number of meals to employees	2,190
Total number of meals to patients	24,900

We raised enough fruit and vegetables to supply our own requirements.

The three cows held up in milk production to meet our requirements. Three calves were born, one was slaughtered and consumed at the Infirmary as well as five hogs; one calf, a heifer, is being raised; and one being raised for beef. The cows and one heifer were tested for bovine tuberculosis and were certified.

Improvements and repairs. The boiler room was made more fireproof by plastering the ceiling. The boiler room wall was repointed. New cement floor and underpinning of the retaining wall reinforced. One ceiling in one of the bedrooms has been replastered. New roof on sunporch and fence renewed in barnyard.

Plant was inspected by fire insurance underwriters and found to be in good condition. Rewiring of barn and minor items were recommended by them to be done, also a hydrant to be installed in Infirmary yard.

Christmas was made pleasant and cheerful for the patients by gifts, visitations and entertainment by different individuals and organizations.

In behalf of the patients, I wish to thank the individuals and organizations who have helped to make the people under my care happy through their generous donations and entertainments. I personally wish to thank your Board and other Town Officers for their co-operation and interest which they have taken in this home.

Respectfully yours,
WILLIAM H. ROLFE, Superintendent.

Report of Bureau of Old Age Assistance

To the Board of Public Welfare:

We submit the twelfth annual report of the Bureau of Old Age Assistance. On March 4th the Bureau organized as follows:

Chairman, Alton W. Estes.
Secretary, Frank M. Simons.
Clerk, Thomas M. Hurley.

On March 18, Mr. Robert O'Loughlin was appointed Supervisor of O. A. A. This Bureau is active at the present time as there are many applications being received and apparently we will be receiving them for some time. The present Social Security Law which gives Old Age pensions to people over 65 years of age is helping to decrease the amount granted per person. However, the amount received thru that source is at the present time quite small as the recipients have not been affiliated with the Social Security program long enough to build up any substantial pension. It is therefore necessary for this Bureau to supplement an additional amount from the Old Age Assistance Bureau.

We handled more applications this year than in the previous year but also closed more cases during the same period so that we are ending the financial year with approximately the same number of cases as we had January 1, 1942.

On October 1, Mr. O'Loughlin, Supervisor of this Bureau and the person actively engaged in directing the work, enlisted in the Navy. His work is now taken over by a reorganizaton of the personnel, who are in charge of the Welfare Agent.

The applications of Old Age Assistance are handled in the same manner as in previous years and are accepted in the office and if the applicant is unable to come to the office an investigator is sent to the home to get the required information. The regulations insist that a decision must be given in every case within 30 days from date of application and if denied the reason for denial must be given and the applicant then has the right to appeal to the State Department for a review of their case and this Bureau is bound to abide by the decision of the Appeal Board.

The Federal Government and the State are both participating in the payment of the O. A. A. grants. The Federal Government reimburses the town for one-half of the first $40.00 per month and the State Government reimburses for two-thirds of the balance.

Many detailed records must be obtained and financial records kept in order that the Town may obtain its proper share of reimbursement from the Federal and State Governments.

Meetings are held semi-monthly at which time all applications are considered and acted upon together with all other matters

associated with this program. Changes in laws and policies and individual policies are discussed and acted upon at these semi-monthly meetings.

The following schedules show the activity in the case load during the year:

Cases receiving assistance January 1, 1942	176
Cases pending January 1, 1942	2
	178
Applications received 1942	66
	244
Less cases rejected	22
Net cases	222

Less Cases Closed

By death	16	
By transfer	5	
By other reasons	20	
		41
Net cases aided and pending December 31, 1942		181
Cases being aided	175	
Cases pending	6	
		181

The following schedule shows the receipts and expenditures of the Bureau during the year and the net cost to the town:

Total Expenditures	$69,542.45

Receipts

Balance from previous year	$ 4.37	
Federal funds	31,286.22	
From State	27,904.47	
From settlement	565.66	
		$59,760.72
Net cost to Town		$9,781.73

ALTON W. ESTES, Chairman.
FRANK M. SIMONS, Secretary.
THOMAS M. HURLEY, Clerk.

REPORT OF BOARD OF HEALTH

To the Citizens of the Town of Stoneham:

The following is the annual report of the Board of Health for the year 1942.

This past year has been an average year for the number of contagious diseases, a total of 222 against 452 in 1941.

We have had an average of 6 cases of tuberculosis at the Middlesex County Sanatorium this year as against 9 the previous year and none at Lakeville.

Due to war conditions the contractor handling the collection of Rubbish and Ashes was compelled to terminate his contract. Inasmuch as we have been advised that the collection of Rubbish and Ashes and care of the dump are not Health matters the Board of Health has discontinued this work.

We have had 32% more dogbites this year than the average for the previous 5 years. There were only 276 dogs inoculated in June against 699 dogs licensed, which, with the prevalence of Rabies in our neighboring towns, we should have had more dogs inoculated.

Owing to the closing of the Town Offices on Saturdays the Board of Health hold their meetings the 1st and 3rd Mondays of each month at 1.00 o'clock.

CLARENCE E. LENT.
GORDON F. MAY.
LAWRENCE E. DOUCETT.

Report of Health Officer

	1938	1939	1940	1941	1942
Dogbites	39	52	61	63	74
Mumps	30	27	6	24	6
Scarlet Fever	18	19	2	24	6
Measles	16	2	6	214	16
Typhoid	0	0	0	0	0
Whooping Cough	2	7	16	75	22
Diphtheria	0	0	0	0	0
Tuberculosis	2	1	7	9	2
Chickenpox	18	11	33	53	53

Other contagious diseases reported were as follows:

Anterior Poliomyelities	1
Cat Bites	2
Squirrel Bites	1
Monkey Bites	1
Cerebro Spinal Meningitis	1
German Measles	17
Pneumonia Lobar	7
Septic Sore Throat	1
Trichinosis	1

Making a total of 222 cases reported for the year as against 452 cases in 1941.

Burial Permits issued in 1942	158
Plumbing Permits issued in 1942	78
Fees received from Plumbing Permits	$101.00

Report of Milk Inspector

The following licenses were issued for the year 1942:

Wagon Milk Licenses	23
Store Milk Licenses	32
Pasteurization Licenses	4
Oleomargarine Licenses	4

Frozen Desserts Licenses 2

Our local dairies continue their high ratings and are kept in a clean condition. The analyzing of Milk has been done by Mr. Lawrence E. Doucett and found to be above standard requirements as to cleanliness and nutrition.

Respectfully submitted,
GORDON F. MAY, Milk Inspector.

Report of Plumbing Inspector

To the Board of Health,

Gentlemen: — I herewith submit my report for the year ending December 31, 1942.

Number of Permits granted	78
Divided as follows:	
Sinks	34
Sink and Tray Combination	30
Two Part Trays	12
Bath Tubs	49
Lavatories	60
Water Closets	63
Stall Showers	3
Bath Showers	21
Tankless Heaters	9
Gas Water Heaters	10
Total	324

Respectfully submitted,
DAVID MARTIN, Plumbing Inspector.

Report of Health Nurse

Parochial School

Individual and Classroom Inspection frequently.

Children examined by School Physician	480
Children examined for cleanliness monthly	345
Children weighed and measured	480
Children examined for vision	480
Children excluded from school	43
Children referred to family physician	21
First Aid treatment	144

Clinics

Tonsils taken care of by parents this year.

Children X-rayed at North Reading	16
Adults examined at Waltham Sanatorium	2
Children receiving Von Perquet test	108
Children receiving X-rays	22
Children immunized against Diphtheria	111
Children fitted with glasses	5
Assisted Dr. Thibeault inoculating dogs	278

Home Work

Home Visits	43
T. B. follow up	3
Consultations	213

Dental Clinic

Examinations	661
Patients	341
Operations	1443
Total Receipts	$57.75

Respectfully submitted,
VIOLA HATHORNE.

Report of Dental Clinic

Total number of Patients	397
Total number of Amalgams	837
Total number of Cements	169
Total number of Extractions	280
Total number of Propholaxis	296
Total number of Completions	252
Total number Referred for Gas	13
Total number Refusing Treatment	9
Total number of Operations	1582

There were 687 children examined in all schools in the first to fourth grades inclusive and reports sent to parents.

Respectfully submitted,

WINSTON F. CLARK, D. M. D.

REPORT OF PLANNING BOARD

The Planning Board for the year commencing March 1942 organized as follows:

Chairman, Charles A. Owen.

Vice-Chairman, Stephen Haseltine.

Secretary, Francis A. Clarke.

Regular meetings have been held on the second Wednesday of each month in accordance with the By-Laws.

The Town, having expressed its opposition to bill boards in residential districts, through votes passed in Town Meeting, this Board in co-operation with the Selectmen and Town Counsel made vigorous protest before the State Department of Public Works against continuation of a permit for the maintenance of the large bill board on the east side of Main Street south of Rowe Hill.

A committee from the Board has made a study of the surface water drains in the Town.

We believe that drains of importance should be given a legal status in accordance with the laws relating to same and we recommend that such drains as have not been legally laid out be given attention by the proper authorities with a view to effecting proper and legal lay-outs.

We would again call to the attention of our citizens the matter of improving the Center of our Town and we strongly urge early consideration of the project to purchase the land bounded by Main, Church, Central and Winter Streets.

We believe that the custom of holding the Warrant for annual Town Meeting open until the last of January prevents adequate consideration of articles by the Finance and Advisory Board and the Planning Board and therefore we recommend that the Selectmen fix a date at least four weeks earlier than has been customary.

At the annual election in 1943 a new Planning Board with enlarged duties and greater responsibilities and powers is to be chosen. The present board is heartily in favor of the change and we urge that all members of the Town Government and our citizens generally give this new board their support.

Respectfully submitted,

CHARLES A. OWEN, Chairman.
STEPHEN HASELTINE, Vice-Chairman.
FRANCIS A. CLARKE, Secretary.
WILLIAM A. GARSIDE.
ALBERT E. CASEY.
LESLIE C. FRENCH.
FREDERICK P. HANFORD.
THEODORE P. HOLLIS.
RALPH A. JENKINS.
WALTER H. MORRISON.
ALMOND H. SMITH.
EDMOND F. DAGNINO.

ANNUAL REPORT

OF THE

PUBLIC SCHOOLS

OF THE

TOWN OF STONEHAM

1942

A Democracy Operates Free Public Schools and Passes Compulsory Attendance Laws, not through a sense of charity but because it realizes that Education is the Only Means it has of Perpetuating Itself and Promoting Its Own Interests.

School Committee

Everett C. Hunt, Chairman, 25 Wilson Road
Term Expires 1945

Bertha A. Starr, 18 Everett Street
Term Expires 1945

Ralph R. Patch, 25 Congress Street
Term Expires 1943

Rossae Kirkpatrick, 7 Everett Street
Term Expires 1943

George E. MacNeil, Sr., 5 Sherman Road
Term Expires 1944

Regular meetings are held in the School Committee Room in the Town Hall at 8.00 P. M. on the first Thursday of each month.

Superintendent of Schools and Secretary of School Committee

Charles E. Varney, 28 Waverly Street, Telephone 1052
Office at Town Hall, Telephone 0601

The Superintendent may be seen by appointment at your convenience

Secretary to Superintendent

Lydia Bagdikian, 298 Main Street, Wakefield
Telephone Crystal 1608-W

Office Hours

School Days 8.00 to 5.00 Saturdays 9.00 to 12.00
School Vacations 9.00 to 12.00; 1.15 to 4.00

Schedule of Terms

1943 Winter Term, January 4 to February 12
Spring Term, March 1 to April 22
Summer Term, May 3 to June 25
Fall Term, September 8 to December 22 noon
High School Graduation, June 18
Schools closed May 31, October 12, 29, November 11, 24 noon, 25, 26

1944 Winter Term, January 3 to February 18
Spring Term, February 28 to April 28
Summer Term, May 8 to June 23
High School Graduation, June 16
Schools closed April 7, 19, May 30

Hours of School

North, South, and Emerson Schools: 8.30 to 11.30; 1.00 to 3.00

East School: 8.40 to 11.40; 1.15 to 3.15

Grade 1 may be dismissed 15 minutes earlier at each session

Junior High School: 8.10 to 11.36; 12.51 to 2.28. Make-up period 2.40 to 3.20

Senior High School: 8.10 to 1.40. Make-up period 1.45 to 2.28

Beginning November 30, 1942, until March 1, 1943, all schools will open 15 minutes later in the morning. Afternoon closing hours in all cases will be the same.

"No School" Signal Discontinued

REPORT OF SCHOOL COMMITTEE

To the Citizens of Stoneham:

The duty of the School Committee is to lay down the general policy on which the school system will operate. The actual execution of these policies is in the hands of the Superintendent and his assistants. No school system can properly function unless each exercises this relationship. During the past year great progress has been made throughout the entire system mainly because this policy has been followed. The efficiency and morale are the best.

You will find printed herewith the report of the Superintendent addressed to this Committee. This report is so complete and clear that we urge all citizens, and particularly parents, to read and study it. You will better understand the objectives we are trying to attain in the education of your children. You will particularly note the many changes we have had to institute in order to prepare the pupils for the present emergency. We have at all times kept in mind that we must prepare for the day when the pupils will take over in a peace time role, while at the same time carrying on in a war time emergency.

The Committee wishes at this time to thank the Superintendent and personnel for their loyal support during the year. It has been a trying year in which they have had to take over the entire tremendous burden of the registrations for rationing. The efficient manner in which this work was done is added proof of the efficiency we have in the classroom.

Respectfully submitted,

EVERETT C. HUNT, Chairman.
ROSSAE KIRKPATRICK.
GEORGE E. MacNEIL, Sr.
BERTHA A. STARR.
RALPH R. PATCH.

Report of Superintendent of Schools

To the School Committee of Stoneham, Massachusetts.

Ladies and Gentlemen: — I herewith submit my fourteenth annual report as Superintendent of Schools in the Town of Stoneham. It is the fifty-second in the series of such reports.

At the Institute on Education and War which opened in Washington, D. C., on August 28, 1942, Lieut. Gen. Brehon B. Somervill said, "The job of the Armed Forces is to win this total war on the battle front. The job of industry is to furnish the weapons and supplies needed by the Armed Forces to carry on total war. The job of the schools in this total war is to educate the nation's man power for war and for the peace that follows."

Similar statements are being made by other army officers as well as by statesmen, educators, news commentators and others. A great responsibility rests upon the schools and colleges of America to educate all youth *not only* to understand and prepare themselves for this all-out war but also to prepare them for the peace which shall follow so that in another twenty-five years a more devastating war shall not need to be fought. If this war lasts for three years longer, there are now in our high schools more than three million boys who will be in the armed forces. There are other millions of both boys and girls in our schools who will be needed to produce the materials necessary for the successful continuance of the war. Then, too, there are many

millions, including those just mentioned, who will become voters and who will have a prominent part in working out plans which will determine the kind of world in which we shall live. Therefore, from the first grade through the twelfth we are striving to instill into the minds and hearts of our pupils the true value of Democracy; that if they wish the protection and freedom granted to them under the American Way of Life, they must be willing to sacrifice now; that they must not only take their present responsibilities but also must work to fit themselves to take up the responsibilities that will be theirs when they become of age. As our forefathers sacrificed that we might have a better world in which to live, so must they do all within their power to build a better world to pass on to coming generations.

In order to accomplish this, we have changed our curricula to fit the present needs without forgetting the future. We adults must remember that these young people will have a huge debt to pay and momentous questions to settle. We therefore must not stint on their educational program. We must not forget that there have already been 200,000 men who have been deferred from serving in the armed forces because of educational deficiencies. Here is not only a waste of man power but also a big liability to a Democracy. These illiterate men were not from New England but a similar condition can happen here, if we fail in our support of education.

The Stoneham School Officials have emphatically told our men that because of a shortage of qualified teachers of Science, Mathematics, Mechanical Drawing, and Shop, it is their patriotic duty to remain at their teaching posts in order that our pupils may receive sound education in these vital subjects.

In addition to carrying the increased educational load, all of our teachers and office staff have been active in the rationing program, the sale and purchase of War Bonds, the collection of scrap, the Civilian Defense program, and other civic work. Great credit is due them not only for the extra work but also for the fine spirit of co-operation which everyone of the staff has shown. Every teacher in our system is a graduate from the Teachers' A. R. P. Course and holds a teacher's certificate.

In spite of the extraordinary demands upon the schools in this time of emergency, our teachers have tried to maintain the same high quality of instruction and fine program of character building as in the past. They have striven to serve with a full consciousness of today's as well as of the future's needs.

Elementary Schools

This year special emphasis has been placed upon the social studies, reading, and spelling. Definite plans have been made for the enriching of the social studies through visual materials and supplementary books. It is in these early years of school that the basis for Democracy is laid.

Twenty-five of our elementary school teachers and several of the junior-senior high school teachers are taking the Durrell-Sullivan Reading course in order to better fit themselves to direct the reading of their pupils and to discover and correct their weaknesses.

Every one of our elementary teachers is striving to provide an adequate reading program in grades one to six, with carefully planned guidance in reading for all pupils in all grade levels.

Our program is three-fold:

(1) A library recreational reading program for all pupils.

(2) A remedial reading program for pupils who need it.

(3) A developmental reading skill program for all pupils.

Through the recreational program in reading we strive to build abiding interests in reading for all pupils from first grade through sixth grade. Through the splendid co-operation of the Children's Department of the Stoneham Public Library and the use of books provided by the School Department, classroom libraries have been provided where pupils can browse and read the best books — old and new. In many classrooms there have been developed excellent free reading programs.

The remedial reading program for those who need it is in effect in grades one through six. By careful grouping in the light of the testing program, a definite effort is made by each teacher to give especial attenion to individual needs.

The developmental program to promote growth in the fundamental reading skills which pupils need to use, both as pupils in school and as adults in life, is organized in our schools to give systematic reading guidance. Such a program starts with a reading readiness program in the first grade but it is not wholly confined to this grade but increases in importance as the child moves up the educational ladder. The program also stresses the comprehension and interpretation of facts, vocabulary development, speed, organization, and oral reading to improve speech.

Choral Reading

In connection with the improvement of speech, choral reading is used as a method for attaining artistic literary expression in the elementary grades. The most effective initial step in teaching choral reading is through rhymes.

The purpose of choral reading is not to teach children to utter aloud mere words, but to train them to bring to life the thought, spirit, and character of these words.

Because of the democratic participation which it affords, as well as the opportunity for individual leadership, the classroom speaking of poems together, after interesting arrangements have been worked out, is ideal for the sharing of literature.

Choral speaking gives encouragement and confidence to the shy child who lacks courage to speak alone. It also develops co-operation in the too-forward child, since interdependence is essential if the oral interpretation of poetry is to be effective. One voice cannot stand out above others any more than one section of a symphonic orchestra can artistically over-balance any other section. There must be harmony, co-operation, and willingness to submerge individual differences, if the good of the whole demands it. Choral speaking has a rich contribution to make to the child in appreciation and enjoyment of literature, as well as improved skills in speech.

Junior-Senior High School

Early in 1942 it was evident that the war was to have a strong effect upon secondary education. Some of the older boys were leaving school to enter the armed forces; faculty members were being sought as instructors or as specialists at military posts as well as for civilian defense work at home.

Our 1942-43 daily program was built during the summer to provide certain additions and to make possible other changes during the year as plans in Washington took shape. Two general purposes were outlined:

(1) The training of our youth for the war services that they will be called upon to give.

(2) The active participation of youth in the community's war efforts while they are still in school.

In the past few months the objectives of the high school Victory Corps movement have been realized in Stoneham as follows:

Aeronautics

Last spring, long in advance of suggestions from Washington, we added two periods of elementary aeronautics to the program of qualified senior boys for preliminary training of aviation cadets and ground crew maintenance. In September a full year course in aeronautics was started under Mr. Miller, head of the science department. Twenty-two senior boys enrolled.

Science and Mathematics

Since modern war is a battle of technicians, both scientific and mathematical, all higher courses in these subjects were revised so as to inject a definiteness of purpose, to emphasize and refocus certain parts of these subjects, and to add new units to serve the needs of youth who have but a short time to prepare themselves for entry into specific fields of military training.

Shop arithmetic and algebra for the general course and the inclusion of navigation in the physics course and meteorology in the aeronautics course were among the revisions. An improved course in nursing mathematics will be offered to our girls in February.

Physical Education

A basic objective of our war-time program is the improvement of physical fitness of our youth who may soon enter the armed forces of our country. Stoneham has carried on an excellent physical education program for many years, but we have doubled our work for both boys and girls in the junior and senior classes. In order to include these extra classes it was necessary to sacrifice some time in non-technical subjects.

In addition to a general "toughening up" program, the new course, definitely outlined by the governmental authorities, stresses aggressiveness, endurance, strength, and coordination. More formal exercises supplement the game program with special forms of jumping, running, apparatus work, tumbling, and competitive sports.

Swimming is an important addition to our program. Out-of-water techniques are taught on devices made in our manual training department. We are trying to make arrangements with the Y. M. C. A. at Malden or Melrose for tank instruction. Time is short and our swimming program was underway two weeks after the government institute made the suggestion.

The physical fitness program should include more minute, periodic physical examinations, in order to correct individual

defects and to attempt to maintain nutrition schedules. Additional personnel would be required to properly do this work.

The first aid instruction which was established about five years ago for all freshmen continues as usual but with special emphasis on self-protection.

Military Training

Through the courtesy of Major T. Arthur Ireland, and other officers of the local State Guard, elementary military training has been offered to all boys in the junior and senior classes who find it possible to attend drills on Friday evenings. I feel that this opportunity offered to our boys to secure some instruction in military practices and procedures prior to induction into the armed forces will be of great value to them. This work will start in January.

Guidance

The new guidance program organized last year as a peace time activity is explained later in this report. The sudden call of eighteen and nineteen year old boys has increased the importance of this program and it has been amplified to assist boys to intelligently choose the proper services and/or occupations in which there is critical need. We have forty boys in our school who are or will be eighteen years of age by the end of the school year in June.

Wartime Citizenship

Although training in citizenship has always been one of the most important functions of the public schools, this responsibility is greatly increased in the high school during a war. To meet this need we have augmented our courses in several ways.

A more positive teaching of the meaning of democracy and of the duties and responsibilities as well as the privileges of citizenship helps the pupils to understand the problems of the war and the goals for which we are fighting.

In English and social studies classes the deep interest and concern of the pupils may be noted as they study wartime economics, rationing, conservation, wartime financing, and especially the problems of post war reconstruction. While we fight, we must as coolly as possible plan for the peace and the conditions which we shall face. It will take intelligence and insight, determination and bravery, and a new high order of Christian statesmanship if we are to prevent the errors of our last peace.

Community Services

In modern warfare every citizen is a soldier. The schools therefore must take an active leadership in programs of conservation, of war bond sales, in the education of the nation's manpower, in rationing, et cetera. We are encouraging all pupils from grade one through the high school and also all of the teachers to take an active part in some phase of the war effort.

Pre-induction Training

High schools have been asked to aid the Army Service of Supply by establishing courses providing specialist training in the fundamentals of radio, electricity, automotive mechanics, machine, and shopwork. Unfortunately our high school is not equipped to offer these courses. Everyone should now see the wisdom of the request of the School Committee several years ago for additional shop space. At that time the town's people did not approve the plan. We are, however, doing the best we can with our present facilities to teach woodwork and mechanical drawing for our boys and domestic science for our girls. Much credit is due our instructors in these departments for their efforts in behalf of the boys and girls.

Guidance Program

The personal and vocational guidance program for seniors was greatly expanded last year with the assistance of Mrs. Cahill of Boston University and was the subject of summer study which has resulted in the adoption of a definite program of testing and individual conferences not only for seniors but for all pupils in our junior-senior high school to determine their strengths, weaknesses, and probability of success in the vocational field of their choice.

Miss Dunning, whose enthusiasm and tireless efforts had made possible the expansion of our program last year was assigned the task of supervising the new program. The testimony of the pupils and the parents who have already benefited is sufficient proof of the worth-whileness of our efforts.

Thus from a small beginning made several years ago with college preparatory students there has evolved a service which should be listed as a permanent major accomplishment.

The efforts of the principal and the counselors in administering the guidance program are handicapped by the lack of time. The State Department of Education recommends a full time counselor for this work and is working upon special legislation to aid in this vital problem.

Music

Our vocal music under the supervision of Miss Helen M. Sawyer has shown marked improvement. The Music Hour Series is now completed throughout the elementary grades. The victrola and the radio are used to help in music appreciation. Two of the elementary schools have put on operettas which were a great credit to both the supervisor and their teachers.

The junior high school presented the operatta, "Paints and Patches," in the Town Hall auditorium. The chorus work was excellent and some of the solo parts were outstanding for pupils of this age group.

The interest in the high school girls' glee club has increased. The selections rendered by this group at the graduation exercises were commended by many of our citizens.

Our high school orchestra under the direction of Mr. Rolland Tapley continues its excellent work. Their concert in the Town Hall was enthusiastically received by the audience. Many of our

local musicians have said the playing of this group was of a professional standard.

In order to extend the work of the orchestra, Mr. Victor A. Ferri is now giving class lessons on wind instruments at a small cost to some of the pupils in grades four through nine. Miss Sawyer is giving class lessons on the violin to pupils in these same grades. By this method we hope to greatly enlarge our orchestra and later to start a band.

Our orchestra and various groups of singers have furnished music for several of our civic programs.

In these times of great stress we need to place more and more emphasis upon music because of its beneficial influence upon our people. A singing America is an America with a high morale and with confidence in its future. Let us continue to give our hearty support to our school music.

Conclusion

Many changes in education are taking place. Some of these are only to meet the present needs, others will remain with us. What the future holds for us no one can now say but educators, statesmen, and other citizens must stand by to see that nothing is done which shall undermine the American Way of Life. We must bear in mind that only an educated citizenry can safely guide the Ship of State. In a few years the boys and girls who are now in our schools will be the voters in our nation. It will then be a tragedy for them and for their country if their schooling has been rationed. We must therefore watch carefully for those who would sabotage our whole educational gains for their own personal interests.

I wish to express my hearty appreciation for the co-operation of the pupils, the teachers, citizens, and the school committee who have so loyally worked together during these unusual days.

Respectfully submitted,
CHARLES E. VARNEY, Superintendent of Schools.

Report of School Nurse

During the past year world events have somewhat overshadowed steps of progress. Yet the year has been a fruitful one. It is heartening to take stock when so much of the scene is dominated by destructive forces.

An outstanding event early in the year was the School Clinic held in February in the Junior and Senior High Schools of the Town when a total of 521 pupils were Tuberculin tested. This figure constituted 78% of the total enrollment which was quite gratifying. Nineteen per cent reacted to the test and were subsequently X-rayed. The entire group in the senior class that were tested were X-rayed whether or not they reacted to the Tuberculin test, since entrance into so many occupations these days require a chest X-ray. Consequently 182 pupils were given X-ray. Of this number 14 were further examined physically, and 7 were classified for the observation group to be given an annual check-up by this clinic. Stoneham was indeed fortunate to receive this service.

Further in the line of clinics were:

1. The Pre-school Clinic.

Following registration, one day was given over to making examinations of pre-school children who expected to enter school for the first time in September. The purpose of this clinic is for

the detection and correction of remediable defects before school entrance, thereby reducing loss of school time because of illnesses, an economic as well as educational advantage.

2. The Diphtheria Immunization Clinic.

The usual immunization clinic was conducted soon after school opened in September when all first graders and all children of pre-school age were given the opportunity to protect themselves against Diphtheria. This past year 51 public school children were immunized. This figure continues to grow smaller each year as more and more children receive these treatments between the ages of six months and five years — the pre-school period. This, of course, is ideal.

3. The Dental Clinic.

Mention must be made of the inestimable benefits derived from the dental clinic. This excellent phase of health work is conducted, of course, as all clinics necessarily are, under the auspices of the Board of Health. It serves the children of grades one through four, plus emergency cases. It operates on the theory that all first teeth must be kept in good condition as long as they remain in the mouth; that the health of the child is concerned with the health of the teeth and the gums.

Sixteen pupils have been taken to eye specialists for examination and have been fitted to glasses for correction of defective vision. This does not constitute the total number of defectives found. Many cases found and duly reported to the homes are taken care of privately. This is a continual process throughout the school year. The pupils of the first grades and all suspected defective cases found by teachers are tested with the Keystone Telebinocular tests which give a finer screening than the Snellen tests. The Salvation Army, Red Cross, and Teachers' Club welfare funds pay for the examinations and glasses for those unable to pay for such service.

No doubt it is well known that Dr. David P. Dutton was granted a military leave of absence as School Physician at the termination of school in June and enlisted with the armed forces of the country. Dr. Henry Leavitt was appointed in September to fill the position during Dr. Dutton's absence and has made complete physical examinations of all pupils.

Between periodic examinations daily observations by the teachers and nurses result in detection of communicable diseases and gross defects. Sanitary inspections of the schools have been made periodically.

Health Education talks have been given to Parent-Teacher groups and to classes.

Thus another school year has been brought to a close with goals reached and inspiration for further human betterment.

Once again through this medium may I express my appreciation to Mr. Varney, to the School Committee, the teachers and the parents for the invaluable co-operation and help.

Respectfully submitted,
MARION L. FRANCHERE, R. N.

Report of Faculty Manager of Athletics

Mr. Charles E. Varney, Superintendent of Schools.

Dear Mr. Varney: — I herewith submit my sixteenth annual financial statement for the Stoneham High School Athletic Association.

Wartime activities, restrictions and demands on the athletic

program and related physical education curriculum have influenced the organization of our activities, but we have thus far been able to meet these without curtailing the regular athletic program. The difficulty of transportation, however, will bring some changes in the near future. In co-operation with the buses for carrying athletic teams, and this will result in fewer games in some of our sports and the games we play will be contests between schools that are close to Stoneham and are easily reached by public buses on regular routes.

We believe that a well organized athletic program will materially help the war effort by promoting physical fitness and maintaining a high morale among the young people in the community. We are therefore making every effort to continue a program of athletics uninterrupted as far as is consistent with the demands of the time.

The continued co-operation of Mr. Wardwell, and members of the Park Department is greatly appreciated. Their services to our boys and girls at Recreation Park are limited only by a lack of funds to maintain the playground. I believe a Park Department appropriation should be made for Recreation Park that will be adequate without the necessity of making a charge for the use of the field for High School Athletics.

Coach Karl P. Elerin has left our staff to accept a commission with the U. S. Navy. In his absence his position as physical training instructor and coach of basketball will be filled by Carmen Buono.

In closing I want again to thank you, Mr. Varney, and the School Committee for your kindly interest and help in the conduct of our program of Athletics.

Respectfully submitted,
WILLIAM M. NADEAU, Faculty Manager of Athletics.

Report of the Work of the Middlesex County Extension Service in Stoneham

Members of the 4-H Town Committee in Stoneham for 1941-42 were Mrs. Walter Johnson, Town Chairman; Mrs. Perley Kendall, Miss Clarice Jones, Miss Choris Jenkins, and Charles E. Varney.

There were two boys' Garden Clubs: The "Triple V" Garden Club of 19 members, led by Mrs. Cara Thompson, assisted by Roscoe Thompson; the "4-H Victory" Garden Club of 8 members, led by Mrs. Robert March of Melrose.

Two Home Furnishing Clubs: The "Busy Bees" Club of 10 members, led by Miss Frances Le Brun, assisted by Mrs. Violet Le Brun; the "Cheerful Workers" Club of 11 members, led by Miss June Manning, assisted by Mrs. Helene Manning Shirk.

The girls' clubs held exhibits in the spring at the home of their leaders. The Garden Clubs exhibited at the Stoneham Victory Harvest Festival, held in the Town Hall.

Janette Johnson carried the Clothing project as an individual member. Marjorie Johnson carried the Home Furnishing and Canning projects as an individual club member. Both girls exhibited with Miss Manning's Home Furnishing Club and received their silver national pin for completion of five years of club work.

Miss Frances Le Brun was awarded her seal for completing four years of club work, including one year of leadership.

Beverly Hanson and Nancy Hoyt, members of Miss Le Brun's club, gave an illustrated talk at the Leader Training meeting held in Wakefield on November 12th.

The Home Department of the Extension Service assisted in a canning project carried on in August. The first meeting was held in the high school with an attendance of 68 and consisted of

a demonstration of various canning practices. Three other work meetings were held at the Town Hall at which a member of the Extension Service supervised the canning by the group. An average of 25 attended these meetings.

In the fall a class in re-upholstering of furniture was held in Stoneham. The attendance in this class is limited to 15 members, as all are working on large pieces of furniture. The results were excellent and most satisfying to the group participating.

The food preservation classes were arranged by Mrs. John English and Mr. P. H. Wardwell. Mrs. English also arranged for the re-upholstery class.

School Budget for 1942

	1942 Budget	Proposed 1943 Budget
INSTRUCTION:		
Salaries	$128,883.00	$130,705.00
Books	3,144.50	3,094.75
Supplies	5,478.50	5,001.25
OPERATION:		
Salaries	10,500.00	10,620.00
Fuel	5,844.00	5,774.54

Stoneham High School Graduation Exercises

PROGRAMME

Town Hall, Stoneham, Mass., Friday, June 12th, at 8.15 o'clock

Entrance of Graduates — "March of the Priests" (from Athalia) *Mendelssohn*

High School Orchestra
Mr. Rolland Tapley, Conductor

(The audience will remain seated as the graduates enter the hall)

Class Marshals
Gloria Baxter, Class of 1943
Raymond W. Anderson, Class of 1943

Graduation Hymn (the audience uniting) ..... *Hemy-Walton*

1

Faith of our fathers, living still
In spite of dungeon, fire and sword,
O how our hearts beat high with joy
Whene'er we hear that glorious word!

2

Faith of our fathers, we will strive
To win all nations unto thee;
And through the truth that comes from God
Mankind shall then indeed be free.

3

Faith of our fathers, we will love
Both friend and foe in all our strife,
And preach thee, too, as love knows how
By kindly words and virtuous life.

REFRAIN

Faith of our fathers, holy faith,
We will be true to thee till death.

Prayer

Rev. David A. Pearson
All Saints' Chapel, Stoneham

Speech of Welcome

Douglas C. Seymour, Class President

Address — "Our Birthright — Democracy"

Kenneth H. Roberts, Class of 1942

Organ Selection — "Virginia" ..... *Haydn Wood*

REPORT OF TRUSTEES OF PUBLIC LIBRARY

To the Citizens of Stoneham:

Our Public Library in wartime has a unique opportunity to be of service to the community. It is able to provide quick and easy access to much information, the need for which has been suddenly thrust upon us. Atlases are being studied as never before. A global war has brought to our attention many places in distant lands and seas which have until now been unfamiliar locations on a map. This has brought many requests for books concerning the places where the war rages and where many of our own boys are now in active service.

Someone has said that technical books as well as guns are weapons of war. Many such books are now being furnished to ambitious workers, assisting them to do better work and to fit them for greater responsibilities in vital war industries.

We are meeting the constant demand for the latest reports from news commentators, returned travellers, and others whose knowledge of world affairs enables them to discuss intelligently the reasons for the war, its conduct and what our goal should be now and in the future. Magazines carrying accounts of actual experiences are in great demand. Perhaps the so-called escape literature is not read as widely as formerly but good contemporary war novels are popular.

A well-balanced library requires certain additions to its equipment and cultural departments every year. Indexes and other material must be provided for the use of the librarian in her reference work. We have recently acquired a set of the Americana Encyclopedia and a Britannica Atlas. A beautiful volume on Eighteenth Century American Art has been obtained at the request of an earnest group of art students in one of our town clubs.

In a town like Stoneham it seems logical to expect that its library should expand and increase its efficiency from year to year. This happens in other town departments.

Realizing that local, state and federal taxes are and will continue to be a drain on the resources of our taxpayers the Trustees have endeavored to manage the finances of the Library with the utmost economy. After we have reduced our budget to what seemed the limit, we have been forced to operate on a reduced appropriation as recommended by the Finance Committee. This may go on for a limited time but the efficiency of the Library will be greatly impaired if the necessary funds for its maintenance and growth are not provided. We are asking an increased appropriation, hoping that the good work that is being done will be recognized and encouraged by a favorable response.

The routine work occupies all of the time of the Library staff. Assistance is needed in mending books and attending to extra duties.

The excellent work done in our Children's Room has drawn favorable comment from parents, teachers and many visitors. Very young children love this room and our boys and girls are learning to use books intelligently and to enjoy reading. The resourcefulness of the Children's Librarian, Mrs. Bertha Houston, never flags. There is always much to attract and interest all who visit this delightful room.

A special prize, a beautiful copy of Aesop's Fables, has been awarded for outstanding work in our Children's Room during Book Week by the Junior Literary Guild. Three places in New England, Newton, Arlington and Stoneham have been honored with

special mention in the Junior Literary Guild Magazine for excellent work in their children's departments during the year.

We have co-operated in every possible way with all activities connected with war and defense work. Hundreds of books and magazines have been collected and sent away for the use of our armed forces. The privileges of the Library have been extended to soldiers temporarily quartered in town. Library Hall has been designated as an Air Raid Shelter. A group of Red Cross workers on surgical dressings is planning to use the room in the near future.

The Library is protected from air raid attacks as far as possible. Blackout curtains have been placed wherever they are necessary. The skylight and rotunda roof lights are now covered to prevent any sky glow.

The active interest of the Garden Club and of the Art Department of the Stoneham Woman's Club is gratefully acknowledged. The Kiwanis Club has presented a beautiful U. S. Flag which from day to day reminds us of our duty to our Country.

The retirement of Mr. H. H. Richardson who had served the Town as a Trustee of the Public Library for twenty years has been a cause of much regret among his associates on the Board. During a long period his service has been efficient and valued. Mr. Frederick P. Hanford was elected in March to fill the vacancy.

The Library Staff is made up of a group of competent workers who co-operate pleasantly with each other and with the Trustees who are grateful for and highly appreciative of their loyal and devoted service.

We call your attention to the report of the Librarian, Miss Martha A. Jackson, in which statistics and details of the Library work are given.

Respectfully submitted,
CHARLES H. CHASE, Chairman.
RUTH H. MERRIFIELD.
GEORGE A. PACKARD.
GEORGE A. HINCHCLIFFE.
FREDERICK P. HANFORD.
ALICE V. PEYTON, Secretary.

To the Trustees of the Stoneham Public Library:

I present the eighty-fourth annual report of the Stoneham Public Library for the year ending December 31, 1942.

The Library has endeavored to meet the requirements made upon it caused by the unusual conditions of the world today. People are seeking information on our own country and other lands. An increasing number of new technical books is in demand as well as books for supplying the need for courses in art, literature and various occupations.

During the summer a number of books was loaned with vacation privileges and through the year frequent small loans were made to the Home for Aged People.

Inter-Library Loan

The Library has had the assistance of loans of books from neighboring public libraries, Massachusetts Institute of Technology and State Division of Public Libraries.

Victory Books

Through the co-operation of the people of Stoneham we were able to collect eight hundred seventy-one books for the soldiers. A large part of them were taken to a deposit station by the Stoneham Motor Corps and others were sent express by the Library to a camp.

Gifts

The Library appreciates the gifts of magazines and books received from individuals and associations during the year.

The Stoneham Garden Club has displayed specimen flowers throughout the year and in the autumn bright berries and a variety of seed pods and has contributed two terrariums and a Christmas table decoration.

Friends of the Library have given beautiful bouquets of flowers which were much enjoyed by the public and Library Staff.

Exhibitions

The Library appreciates the loan of interesting exhibits. Among those shown in the Adult Reading Room were articles from China, Scandinavia, Denmark and Holland by various Stoneham residents; pottery from India and Spain by Misses Mabel and Amy Edson; model of early printing press, previously exhibited at the New York World's Fair and made by Guy Jones of Arlington; fans of foreign countries and early America by Mrs. Frances Nickerson and Miss Amy Edson; sheep products including blanket and pictures by Miss Barbara Shepherd; photographs, coins and stamps of New Caledonia by Mrs. Joseph Flaherty.

We had a very interesting exhibition during "Art Week" from the Stoneham Woman's Club consisting of oil, water color and tinsel pictures, painted china and trays. It attracted considerable interest and favorable comment.

Book Displays

The "Spring Book Festival" and "Book Week" were observed in the Adult Room by displays of new books and posters. The books were allowed to circulate at the end of the week.

Christmas

At Christmas the Library was decorated with evergreens and in the glass case a winter scene was shown. A very beautiful manger scene made by Mrs. DeWitt was loaned to us by the Stoneham Woman's Club.

Children's Room

During the year the Children's Librarian spoke at the School Councils and the Stoneham Woman's Club. Classes with their teachers visited the Library. Books were loaned to all of the schools.

Exhibitions

Among the exhibits in 1942 were; soap carving, one hundred figures, loaned by the National Soap Sculpture Committee; farm scene; circus, with original posters of clowns, loaned by William Filene Co.; a scene from the book, "Mr. Pink and His House on the Roof;" butterflies, loaned by Rev. Mr. van Leeuwen; Chinese doll, money, posters and many other articles loaned by Mrs. Oliver Morse of Stoneham.

Spring Book Festival

At the "Spring Book Festival" seventy-five new books and original drawings from some of the books were shown. A scene in the glass case from the book "Make Way For The Ducklings" depicted eight baby ducks, with mother and father, in Boston Public Garden.

Summer Reading Project

In "Win Your Wings Club", with two hundred and twenty-five boys and girls, fifteen or more books were read and reported. Air routes were chosen and books were read about the different cities and states through which they passed. Boys and girls reading fifteen or more books won their "wings". A pin was given, wings.

We had a Story Hour for six weeks, two periods each week.

Book Week

A short story contest was held. Nine books were given as prizes by the Library. Woman's Club and East School also gave books.

Mrs. Anne Molloy, author of "Coast Guard to Greenland," spoke and brought with her many unique things from Greenland. Mrs. Doris Hauman, author and artist spoke also and brought original drawings and hand carved figures, some from books she had written and some from books she had illustrated.

Two hundred new books were displayed with original drawings from ten of the new books.

Mrs. Eleanor Blanchard of Stoneham told stories interestingly at the story hour for the first and second grade children.

Christmas

A large tree given by a Stoneham resident, a Nativity Scene, Christmas posters, a church model with choir and minister made by fourth grade boys and girls of the Congregational Church and in the glass case Santa Claus' workshop with his many toys, gave the Christmas spirit to the Children's Room.

A fire-screen was given to the Library, which enables the Children's Room to have the cheer of a fire in the fireplace on special occasions.

Staff

Martha A. Jackson, Librarian; H. Elizabeth Symonds, Assistant Librarian; Bertha Houston in charge of Children's Room; Margaret Golding, Part Time Assistant, and Rozelle Graham, Junior Part Time Assitant.

American Library Association Form of Statistics
For the Year Ending December 31, 1942

Name of Library	Stoneham Public Library
Town and State	Stoneham, Massachusetts
Name of Librarian	Martha A. Jackson

REPORT OF BOARD OF CEMETERY TRUSTEES

(Lindenwood and Pleasant Street Cemeteries)

To the Citizens of the Town of Stoneham:

In contrast to the drought of 1941 we were blessed with almost an overabundance of rain during 1942. While this revived much of the grass which seemed to have been burned out in 1941 it was necessary to replant the grass on many lots. This, of course, required removing old sods, reloaming, regrading and reseeding, etc. This additional work was done in a most commendable way by our employees, together with their regular duties; and this year has brought forth from our lot owners much praise for the beautiful condition in which Lindenwood Cemetery and our old Pleasant Street Cemetery have been maintained.

Although an improvement has been noted in the response of lot owners to our bills for payment of Annual Care, and we hope these lots will all some day be taken care of by a Perpetual Care payment, there are still many lots uncared for due to the fact that the Annual Care payment has not been made.

No appropriation was given for Street Signs in the Cemetery and we know we shall not have any for the duration of the war.

In our annual report for the year 1941 reference was made to roads in Lindenwood Cemetery on which preparatory work had been completed, or was in process, and funds were anticipated in the 1942 appropriation to purchase material necessary for macadamizing.

This money was received, but due to war restrictions the material was not available. The Trustees have therefore returned this amount to the Town, calling attention to the reason, and requesting that special note be made of this fact so that the appropriation will again be granted when materials are available at the end of this World War II.

It is the ambition of the Trustees to some day have all roads in Lindenwood Cemetery traversable at all times of the year, especially in the Spring. In preparation for such a time, work has been started on several roads. Foundations of heavy rock have been laid, with filling of coarse gravel. This will prevent washouts in the hilly sections and the roads will be passable until macadam is released for such projects.

This year the following described Cemetery roads have been remade in the manner mentioned above:

1. From Larch Avenue to Arborvitae Avenue to Pine Avenue. The foundation for this road was started last year and has been completed.
2. Beech Avenue, from Larch Avenue downhill, to the Lindenwood Road lower gate.
3. Poplar Avenue, from the Lindenwood Road lower gate uphill to the Lindenwood Road upper gate.

The walls of the new Garage and Toolhouse, erected last year under the Works Progress Administration sponsorship, have been repaired by the W. P. A. to some extent in an effort to prevent leakage.

In response to the Government call for scrap metal a Committee was appointed to collect from Town Departments all such material owned by them. The Trustees were able to answer this call in good measure by contributing for this purpose between 500 and 600 feet of iron pipe fence, which was constructed of three heavy iron pipes the length of the fence, supported by 5 foot iron

posts about ten feet apart. We might estimate that this would weigh in the vicinity of five tons and were glad that we were in possession of this metal which was to be used for the vital purpose of both destroying the enemy and perhaps preserving the lives of some of our own soldiers and sailors.

We assure our lot owners and townspeople that everything will be done as satisfactorily as possible during this period of difficulty and believe they will understand with us that we work for the best results at all times.

For detail of receipts and expenditures of this department we refer you to the Town Accountant's report.

Respectfully submitted,

CLARENCE E. LENT, Chairman,
WALTER G. LEAVITT, Secretary,
CHARLES W. MESSER,
GEORGE B. WILLIAMS,
GEORGE R. BARNSTEAD,
Trustees.

ANNA H. MOREY, Clerk.

REPORT OF COMMITTEE OF PUBLIC SAFETY

To the Honorable Board of Selectmen:

Following the general outline as laid down by the office of Civilian Defense in Washington, D. C., and the Massachusetts Committee of Public Safety, the various executive committees of the Town of Stoneham are well organized. We have a large group of interested and representative people in all branches of Civilian Defense.

Our Protection Division, through its chairman, has made remarkable progress endeavoring to obtain best results in acquainting the townspeople with what the Army requires of us and seeing to it that, as far as possible, all instructions are carried out.

Under Protection comes the Wardens, the largest single group in Civilian Defense. Credit is due to the Chief Air Raid Warden for holding this large group together. Of necessity, an organization as large and representative as Civilian Defense has a real influence in the life of a community.

As an outgrowth of the pent-up energy looking for an avenue of expression, the Stoneham Home Front was born and has made a real contribution to the individual life of our town. It is always to be understood that Civilian Defense is voluntary on the part of each citizen as to how much of his time and effort can be spent for the good of the entire community. With many it is regarded as a duty and privilege to serve in our war effort. With others, equally enthusiastic, circumstances prevent active participation.

It might be well, however, to subordinate the aims of any of us as individuals for the good of the movement as a whole. After all the ultimate aim and object is to benefit, encourage and make easier the life of all our boys in the service wherever they may be and whatever they may be doing, protect our Country and keep a home for our boys. This will include a watchful eye on their homecoming when we all trust the funds collected will enable them to return and find adjustments to civil life will go along smoothly with as little hardship as possible.

We are fortunate in our Division Leaders, all of whom have given generously of time and talent to guard the lives of all our townspeople if disaster comes.

Our Auxiliary Fire Department is well equipped and efficient, having much practice under trained leadership.

The Auxiliary Police are a fine body of men capable in private life and under the leadership of their Captain, well trained and versed in police matters and ready for emergency.

We have been especially fortunate in our Medical Division made up of well known physicians and surgeons, including the Staff of the New England Sanitarium. In addition we have many graduate nurses in our town, Red Cross division, Motor Corps, Disaster division, Health division, and all the well qualified canteen, nutrition experts and home nurses. Thanks to our Medical leadership we have on hand an adequate supply of all kinds of equipment for emergency cases.

The Service and Supplies division, made up of practical, hard-headed business men, has seen to it that supplies are in readiness for what may come.

Our Planning and Technical division has given great assistance in examining the budget to keep expense to the minimum and lighten the burden to the taxpayer. They have also, along with our Decontamination head, made comprehensive studies of gas attacks and their effect on the health and morale of the peo-

ple. Plans are outlined to minimize this danger as much as scientific research can do so.

The Communications division has shown their ability to have everyone on the job in an air raid or blackout. They are now trying to fit the short wave radio into the program for any emergency that may occur.

The Women's division, under the chairman, has kept a watchful eye on events developing under rationing and have tried to avoid undue duplication. At present the Victory Gardens for all home folk wherever possible next year have first consideration.

Our Social Service group, made up of trained leaders working daily at their profession, has studied our local problem and has conditions well in hand. Much credit is due them for preventing undue emphasis on phases of the work in social problems that do not apply to our particular locality.

The Blackout Officer has been mentioned by the Massachusetts Committee on Public Safety for outstanding attention to duty.

The Evacuation Officer works quietly and sees to it that shelters and places for the evacuation of persons in disaster are ready when needed. He also co-operates with the various other welfare groups and the Red Cross.

The Superintendent of Public Works has assembled a large quantity of vital equipment in time of need.

The School Committee and their Superintendent have rendered invaluable service in training all our people to prepare them to take their place in Civilian Defense.

The Identification Officer has information about all of us to meet the need in time of disaster.

We cannot fail to mention our Publicity Committee who have given to Civilian Defense countless hours to acquaint the citizens with current developments. Our local newspapers are to be commended for their whole-hearted support, advice and counsel.

The Park Department, under the supervision of the committee and their Superintendent started the Victory Gardens that will continue stronger than ever this coming year.

To all the Air Wardens who have so faithfully manned our Report Center the thanks of all our townspeople are due.

The following letter was received from the State Executive Director and I believe it is fitting that the townspeople at large have the privilege of reading it:

"I am taking the occasion of the New Year to write to you, as a member of the State Staff of our Committee, this personal letter.

"Primarily, I want to tell you, personally and on behalf of the Executive Committee and the whole Committee, of our appreciation of your services.

"Our organization has been possible only because of the willingness of yourself and others in a similar situation to undertake and carry through this work in the public interest.

"There have been many difficulties, some disappointments and inevitably some mistakes, but we have all done our best and have made real progress.

"I much regret that owing to the pressure of work and the multiplicity of things that come up at this office, from Washington, from the State, from changing situations, and otherwise, I have not had an opportunity to meet you more frequently in the field and talk with you about your immediate situation.

"I shall hope for more time to do this during the coming year.

"As it is impossible for me to write personally to them, would you please extend my greetings, respects and good wishes to all the members of your organization.

"This brings the best wishes for the best possible New Year.

Personal regards,

Signed: F. W. FARLEY, Executive Director."

As Chairman of Stoneham Committee of Public Safety, may I admonish all to be constantly on guard, relax never until the war is won for the enemy within requires constant attention to prevent disaster occurring every day in different parts of our country.

May I thank the Board of Selectmen and our Executive Commiittee, along with every member of Civilian Defense for their unfailing response when called upon to aid and assist for the common good.

Respectfully submitted,

JAMES A. MUNRO, Chairman,

Public Safety Committee, Town of Stoneham, Mass.

REPORT OF RETIREMENT BOARD
(Contributory Retirement System)

To the Honorable Board of Selectmen:

Following is the sixth Annual Report of this Board:

During this year there have been more changes in membership than in the five years previous. Fifty-one new members have been included; fourteen have withdrawn; two pensioners have died; one member has been transferred from Group I to Group II; and one membres became eligible for pension at the age of 70.

We had anticipated some changes due to war conditions but at no time expected a net increase of almost 40%.

An Amendment to the Retirement Laws governing our System was passed by the Massachusetts Legislature this year under which all Call Firemen and Reserve Policemen, and Regular Firemen and Policemen, not covered by other Retirement Laws, are now included in this System. This brings into our Group II nineteen Call Firemen, of whom seven are regular employees of the Town in other departments.

Total membership December 31, 1942, 126, as follows:

Group I 90; Group II 23; Pensioners 13.

Included in this total are 15 members now in the Armed Service of the United States.

In accordance with Chapter 708, Amendment to G. L., approved October 29, 1941, those employees who have enlisted or been inducted by Selective Service are continued as members until one year after their honorable discharge and are given this period in which to resume their employment with the Town, with all seniority rights and credits for the period they are absent.

Among the enlistees is Clarence E. McIntyre who was the employees' representative on this Board from July 1, 1940, until November 30, 1942, at which time his resignation was received.

This required an election for the unexpired term, until July 1, 1943, which was held Friday, December 18, 1942, in accordance with G. L., Chapter 32, Section 31F (2).

Result of the election:

Walter G. Leavitt	7
James J. McDermott	7
Harry A. Williams	2
Total vote cast	16

This tie resulted in a second election which was scheduled for Friday, January 8, 1943. Although this report covers 1942 business we feel it is in order to mention that at the January 8, 1943, election Walter G. Leavitt was elected with a vote of 17; James J. McDermott receiving 12; and Harry A. Williams 1; a total of 30 votes cast.

On September 22, 1942, an examination of the records of this Department was made by the Division of Insurance of the Commonwealth of Massachusetts, Mr. Thomas McCormack, Official Examiner.

This Board has responded to the call of the President and, as will be noted in our investments, has purchased additional Defense Bonds of the United States of America; including a purchase at the War Bond Drive held in Central Square, Stoneham, on November 13, 1942.

Sufficient income was received from our investments to pay the 3% due on members' deposits and other funds as required by law, with a surplus of $199.78 which has been added to the Undistributed Earnings account.

A creditable amount has been built up in the Profit and Loss (or Undistributed Earnings) account since the System was established July 1, 1937. Our investment transactions have been made with much care and your Retirement Board trusts that future income will continue to be in excess of the interest requirements.

Retirement Board.
ANNA H. MOREY, Secretary.

REPORT OF WORK PROJECTS ADMINISTRATION

To the Honorable Board of Selectmen:

During the year the largest number of persons employed on W. P. A. at any one time was sixty-six. The average by August 1 had been reduced about one-half and during the next three months with work available on every hand, one-half of the remaining group found employment. The Board of Selectmen and the W. P. A. Committee together agreed that the W. P. A. was no longer needed. Along with the welfare group they also voted to discontinue the Commodity Store.

During the last months of the year all our available men were employed removing car rails by order of the Federal Government to supply much needed metal for our Armed Forces.

The Survey Project continued until the end to function with reduced personnel endeavoring to complete data of permanent value to the Town.

The Federal Government requested at the beginning of the year that all cities and towns operate only manual projects of permanent value to the communities. Our town was fortunate in having experienced Supervisors who were capable of performing the tasks required and instructing the men working with them.

WATERMAINS—a vital necessity, many of ours having been installed over a long period of time and in poor condition were given first consideration. New mains were constructed and old ones reconstructed. This proved of great value by giving a much better supply of water where needed and increasing our chances to survive incendiary fires or possible bomb raids during war time.

STORM DRAINS—another vital project, was in operation with good accomplishment. Unable, because of Federal order, to complete all the work, some 284 feet of 36 inch reinforced concrete pipe, valued at $1,100.00 was purchased and was turned over to the Public Works Department for installation next year.

LINDENWOOD CEMETERY WALL—a long stretch of stone construction, was all completed.

During the year at Special Town Meeting some $10,000.00 of W. P. A. funds were voted to be turned over to the Public Works Department to enable them to take care of some of the work originally planned for the various projects and in addition several thousand dollars are being returned to the general fund of the Town as an unexpended balance.

At the conclusion of W. P. A. an inventory was rendered in full of all material and equipment remaining on W. P. A. to the Board of Selectmen and the W. P. A. Committee. Arrangements were made for their disposal to the various Town departments where they could be of value and assist in the general reduction of overhead expense.

The following information will give an idea of money spent for activities of Relief Programs in the Town of Stoneham:

Federal Expenditures from 1933

Direct Relief Grants	$15,491.00
C. W. A.	62,178.00
E. R. A.	270,500.00
W. P. A.	970,056.00
Surplus Commodities	166,979.00
Total	$1,485,204.00

We wish to thank all the various departments who have aided and assisted in the work, especially the Board of Selectmen and the W. P. A. Committee.

Respectfully submitted,
JAMES A. MUNRO, Coordinator W. P. A.

REPORT OF ADVISORY COMMITTEE ON MILITARY DRILL IN THE HIGH SCHOOL

At the Town Meeting in March, 1942, it was voted that a committee of three consisting of Major T. Arthur Ireland, Dr. Joseph H. Kerrigan and Prof. Charles H. Chase be appointed to study the advisability of renewal of military drill in the High School as a course of study and to report at the next annual town meeting.

From the time of the Spanish-American War in 1898 up to the time of building the Junior High School in 1923-1924, military drill was carried on with students in the four classes of the High School uider the direction of officers from the local militia company.

In 1924, the courses of instruction in the Stoneham Public Schools were changed to provide a Junior High School and a Senior High School having three grades each, and regular periods of gymnasium work under the direction of an instructor in physical education were placed on the school schedule. Military drill was no longer considered necessary.

Events during the past year have emphasized the importance of resuming military drill in the Senior High School .

The National Educational Association and the American Association of School Administrators through their committee on "War Policy for American Schools" have outlined what they consider are the war duties of the schools which should be given priority, including particular reference to promoting health and physical efficiency.

In July 1942, the Secretary of War, the Secretary of the Navy and the Special Assistant to the Secretary of Commerce endorsed a proposal under which the U. S. Office of Education would assume responsibility for the Federal Government in developing an organization and program of Aviation Education in the high schools. The "High School Victory Corps" is the plan worked out. Among the eight objectives of the program are physical fitness and voluntary military drill.

In anticipation of the requirement for inclusion of the additional subjects recommended, changes were made in the curriculum of the Senior High School which went into effect in September so far as material was available.

These changes are grouped under four headings and are considered to correspond to the general recommendations for the "High School Victory Corps."

I. Physical Education: Four periods a week, including load carrying, obstacle work, use of apparatus for timing and strength, scaling, running, swimming and calesthenics.

II. Aeronautics with text books and models.

III. Navigation. in connection with Physics, including War Mathematics, a basic course in the fundamentals of Algebra, Geometry and Trigonometry.

IV. Pre-induction courses using government publications for four activities.

1. Radio, including code.
2. Electricity: general, elementary.
3. Principles of Machines.
4. Automotive Mechanics.

In addition to Physical Education, listed above. Military Drill on a voluntary basis has been arranged for by the school authorities and carried on at the State Armory one evening a week be-

ginning Jan. 8th, officers of the State Guard giving their services.

The committee has been in conference or in direct communication with our School Board and High School principal, with officers of instruction in military drill in Gloucester, Medford and Wakefield, also with several superintendents of schools in adjoining cities and towns.

In Gloucester, a regular course of study for Junior R. O. T. C. members is in operation covering three years, with text books and examinations and costing about $25,000 yearly. The uniforms cost $12 to $15 each.

In Medford. $10,000 is being spent during the year for military drill on a voluntary basis carried on in the evening by officers of the local State Guard and as a part of the school program. The students have uniforms costing about $12 each some of them being supplied by organizations of the city and some being paid for by the boys themselves on weekly installments.

In Wakefield, beginning last September, military drill was made a required course of one hour a week for the last period in the school day. About 200 boys take this work also two hours of Physical Education per week.

For military drill here, it is estimated that $7.00 should cover the initial expense for a uniform consisting of a shirt, pants and cap. About 200 boys are involved for the full program. The initial expense for instruction would be about $5.00 per period per instructor with officers from the local State Guard. The matter of procuring enough guns for instruction in the manual of arms is being investigated by the chairman of this committee. There are 45 old rifles from previous work that are in fair condition and are now being used.

Experience with courses in military training conducted on a voluntary basis show that attendance is variable which decreases efficiency and tends to lessen the importance of the course in the estimation of the students often among those who need it most.

It is recommended by this committee that the plans now in operation be carried on until the close of the school year in June; that starting in September military drill be required as part of the school curriculum for one and a half hours each week during regular sessions and that all boys of the Senior High School who are physically fit be required to take military training.

T. ARTHUR IRELAND, Chairman,
JOSEPH H. KERRIGAN,
CHARLES H. CHASE,
Advisory Committee.

REPORT OF WILLIAM STREET AND DeWITT ROAD SEWER COMMITTEE

To the Citizens of Stoneham:

The Committee appointed at the Special Town Meeting of August 10, 1942, to investigate the sewage conditions in DeWitt Road has made a thorough examination of all the existing conditions and has consulted with the property owners affected and submit the following report:

Any sewer constructed would have to pass through DeWitt Road and William Street to connect with the existing sewer in William Street opposite Baldwin Road.

The construction of this sewer during the present emergency could only be justified if there existed a definite health menace. Letters from the State Department of Health and the local Board of Health, which follow this report, clearly indicate that such a condition does exist. We find that the residents of DeWitt Road have made every possible effort to alleviate that condition on their own property. All owners have constructed additional cesspools and one owner has constructed six but still has trouble. All houses are liable to experience the same trouble. No solution of the problem can be had through elimination of sewage through a system of cesspools due to the nature of the subsoil and the presence of underground springs which cause the cesspools to act as artesian wells and force the sewage to the surface.

The cost of the sewer through DeWitt Road would be $4,200.00 and through William Street to the existing line $17,200.00. This estimate is based on encountering fifty per cent ledge and boulders in William Street and some shale ledge in DeWitt Road. This is based on the experience of the Malden and Melrose Gas Light Company when it constructed a main through the same street several years ago.

We conclude that the sewer should be constructed in and through William Street from the existing sewer opposite Baldwin Road to a point 150 feet west of DeWitt Road and in and through DeWitt Road from William Street a distance of 700 feet approximately. We conclude that the existing conditions are sufficently serious to warrant the construction of this sewer at this time. It is our conclusion that the abuttors on William Street are now being subjected to a health menace sufficiently serious to warrant their participation in the expense of this sewer.

We therefore recommend that the Town appropriate at this time the sum of $21,400.00 to construct this sewer and that the construction proceed at the earliest possible moment, and that the sewer in and through William Street and DeWitt Road be constructed under provision of Chapter 83, Section 19 of the General Laws.

Respectfully submitted,

ALBERT E. CASEY.
EVERETT C. HUNT.

To the Board of Health, Stoneham, Massachusetts:

We the undersigned residents of Stoneham, respectfully request the cooperation of your Board in the examination of the condition which exists on the western end of William Street and the entire length of DeWitt Road, with respect to soil conditions preventing the effective use of cesspools and to the end that a sewer be ordered constructed in and through William Street and thence through DeWitt Road to relieve this situation.

We believe that a definite health menace exists under the present conditions and should be remedied immediately.

May 15, 1942.

Mr. Albert E. Casey, Supt. of Public Works,
Stoneham, Mass.

Dear Mr. Casey:—As a result of a petition with our Board of Health an investigation has been made of sewerage conditions on both William Street and DeWitt Road. We find that soil conditions are such that the cesspools will not properly drain and we have the menace of overflowing cesspools.

In this district are about 30 homes with many small children who are constantly playing around the yards, this makes conditions very dangerous to the health of these children .

Many overflow leeching drains have been constructed in this area but this does not seem to relieve the situation.

We are enclosing copy of letter received from the Commissioner of Public Health, Dr. Paul J. Jakmauh.

Very truly yours,
STONEHAM BOARD OF HEALTH,
Gordon F. May, Secretary.

May 14, 1942.

To the Board of Health,
Stoneham, Massachusetts.

Gentlemen:—In response to your application, the Department of Public Health has caused an examination to be made of the sewage disposal facilities in the vicinity of DeWitt Road and William Street in the northerly part of the town of Stoneham.

These premises are within the watershed of the Aberjona River. Your attention is called to Chapter 291 of the Acts of 1911 which directs the Department of Public Health to prohibit the entrance or discharge of sewage into any part of the Aberjona River or its tributaries.

The examination showed that sewage from approximately 30 dwellings is disposed of by subsurface means. The soil in the vicinity is not of suitable quality for this method of sewage and sink drainage disposal. Several cesspools were observed to be overflowing and in several instances sewage was backing up into the cellars and plumbing fixtures of the dwellings.

The Department of Public Health is of the opinion that the disposition of sewage and sink drainage by subsurface means is impracticable in this general locality and that the sanitary conditions at the time of the recent examination constituted a nuisance and a menace to the public health. The Department recommends thah the sanitary sewerage system be extended to this locality at the earliest possible date in order to eliminate the present objectionable conditions.

Respectfully,
PAUL J. JAKMAUH ,M. D.,
Commissioner of Public Health.

REPORT OF PARK COMMISSIONERS

William F. Wilson, Chairman, 118 Green Street.
Stanley D. Wood, Clerk, 27 Warren Street.
John E. O'Doherty, Permits, 25 Broadway.
Percival H. Wardwell, Superintendent, 42 Broadway.
Tels., Res. Sto. 1086; Office Sto. 0412.
Murray H. Stewart, Foreman, 21 Pleasant Street.

To the Citizens of Stoneham:

Due to the curtailment in auto transportation, the traffic in recreational activities has increased materially throughout the past year. This has been noted particularly in the attendance at the playground, use of the tennis courts and athletic field and in spite of the number of both men and women who have left town to enter the armed forces and who have gone into defense work, the attendance on these areas has been surprisingly heavy. There was a great deal of activity during the early months of the year on the Recreation Park and in spite of the necessity of eliminating night illumination during the past early winter due to dimout regula- the rink was in constant use.

Ideal weather conditions for the growth of vegetation in general has made an increased amount of maintenance work necessary on all park areas. Repairs to the turf and plantings on Recreation Park, Civic Center areas and Veterans' Squares in town were completed in the Spring.

The baseball backstop, erected by the Security Fence Company, and the baseball diamond were completed in time for the dedication in connection with the community Fourth of July celebration. This baseball diamond is a particularly fine one, designed by Mr. Clinton F. Goodwin of Morse, Dickinson and Goodwin and is one of the few diamonds of the socalled "turtle back" type in this part of the country. Instead of having a mound built up at pitcher's box, the entire diamond is built up so that pitcher's box is one foot to fifteen inches above the base lines and the ground gradually slopes from this point outward in all directions. This eliminates the difficulty experienced in fielding a fast ground ball in the vicinity of the pitcher's box and is a decided improvement over the old type of diamond.

The traffic on Recreation Park was very heavy during the Fourth of July celebration and we are pleased to report that the field stood up very well under the use it received at that time.

Due to the establishment of the Catholic High School in Stoneham the demand placed on Recreation Park for organized school sports has doubled and the amount of maintenance necessary has increased proportionately.

The Board of Park Commissioners, acting as Victory Garden Committee in Civilian Defense conducted a series of talks on gardening and provided supervision of Victory Gardens throughout the season. On September 12 and 13, under the direction of Mr. William F. Wilson, Chairman, the first Victory Harvest Show was staged in the banquet room of the Town Hall. We believe it was a success and that we are warranted in making it an annual affair.

The Board of Park Commissioners wish to express its gratitude to all those who have contributed materially to the success

of the work of the Department and to those who from time to time have assisted with constructive criticisms and suggestions.

Respectfully submitted,
BOARD OF PARK COMMISSIONERS.

We wish to express in this report our appreciation of the service rendered to our town by Mr. Wilson in his capacity as Park Commissioner.

Mr. Wilson has served for nine years without compensation and has given freely of his time over a period during which the duties of the Board of Park Commissioners have increased four-fold. His knowledge of horticulture and his interest in sports and community recreation have been of immeasurable value to the Town of Stoneham.

Respectfully,
STANLEY D. WOOD .
JOHN E. O'DOHERTY.
PERCIVAL H. WARDWELL.

REPORT OF TREE WARDEN AND SUPERINTENDENT OF MOTH WORK

The Shade Tree Department carried on its trimming and cavity work throughout the season. There was no planting done this year due to lack of funds and it is planned to suspend this type of work for the duration of the war due to scarcity of labor and certain materials used in connection with the work. The sum of $2,480.36 was spent for shade tree work this year.

The Moth Department, in addition to providing fruit sprays, did considerable roadside and elm tree spraying. Tent caterpillars were very numerous and the feeding of the elm leaf beetle was very heavy the first of the season. However, the shade tree sprayer proved so efficient that the results were not as serious as they have been in past years. The sum of $4,268.00 was spent for moth work this year.

Respectfully submitted,
PERCIVAL H. WARDWELL, Superintendent,
Shade Tree and Moth Departments.

REPORT OF TOWN TREASURER

To the Citizens of Stoneham:

I herewith submit the report of the Town Treasurer for the period of January 2, 1942, to December 31, 1942.

Cash on hand January 2, 1942	$ 89,271.20
Receipts January 2, 1942-December 31, 1942	1,009,924.61
	$1,099,195.81

Expenditures

January 1, 1942-December 31, 1942 as per Selectmen's Warrants	$1,010,376.75
Cash on hand December 31, 1942	$88,819.06

For complete detail of Receipts and Expenditures, refer to Town Accountant's Report.

Respectfully submitted,

GEORGE H. HOLDEN, Treasurer.

REPORT OF AUDIT — 1942

December 30, 1942.

To the Board of Selectmen,
Mr. Fred A. Schneider, Chairman,
Stoneham, Massachusetts,

Gentlemen:—I submit herewith my report of an audit of the books and accounts of the town of Stoneham for the period from June 19, 1941, to September 12, 1942, made in accordance with the provisions of Chapter 44, General Laws. This is in the form of a report made to me by Mr. Herman B. Dine, Assistant Director of Accounts.

Very truly yours,
THEODORE N. WADDELL, Director of Accounts.

Mr. Theodore N. Waddell,
Director of Accounts,
Department of Corporations and Taxation,
State House, Boston.

Sir:—As directed by you, I have made an audit of the books and accounts of the town of Stoneham for the period from June 19, 1941, the date of the previous examination, to September 12, 1942, and report thereon as follows:

The records of financial transactions of the several departments receiving or disbursing money for the town or committing bills for collection were examined, checked, and verified with the books and records of the town accountant.

The books and accounts in the town accountant's office were examined and checked in detail. The general and appropriation ledger accounts were analyzed and proved. The recorded receipts were compared with the treasurer's cash book, while the payments as entered were checked with the treasurer's cash book and with the treasury warrants. The appropriations, transfers, and loans authorized, as recorded on the ledgers, were checked with the town clerk's records of town meeting votes and with the finance committee's authorization of transfers from the reserve fund.

A trial balance was taken off, and a balance sheet, which is appended to this report, was prepared showing the financial condition of the town as of September 12, 1942.

The books and accounts of the town treasurer were examined and checked. The cash book additions were verified and the recorded receipts were compared with the accountant's books, with the records of the several departments collecting money for the town, and with other sources from which money is paid into the town treasury. The payments were checked with the selectmen's warrants authorizing the treasurer to disburse town funds and with the accountant's ledger, and the cash balance on September 12, 1942, was proved by reconciliation of the bank balances with statements received from the banks and by actual count of cash in the office.

The payments on account of maturing debt and interest were verified by comparison with the amounts falling due and with the cancelled securities and coupons on file.

The savings bank books and securities representing the investment of the several trust funds, including the retirement fund, in custody of the treasurer were examined and listed, the income being proved and the withdrawals being verified.

The records of tax titles held by the town were examined and checked in detail. The amounts added to the tax title account were compared with the collector's records and the town accountant's books, the reported redemptions were checked to the treasurer's cash book, and the tax titles on hand were listed, reconciled with the accountant's ledger, and checked with the records at the Registry of Deeds.

The books and accounts of the tax collector were examined and checked in detail. The taxes, assessments, water charges, and departmental accounts receivable outstanding according to the previous examination, and all subsequent commitments, were audited and checked.

The recorded collections were checked with the treasurer's and the accountant's books, the abatements as entered were verified by comparison with departmental records of abatements granted, and the outstanding accounts were listed and reconciled with the accountant's ledger accounts.

The outstanding tax, assessment, and departmental accounts were further verified by mailing notices to a number of persons whose names appeared on the books as owing money to the town, the replies received thereto indicating that the outstanding accounts, as listed, are correct.

It is again urged that the tax collector take immediate action to secure settlement of the delinquent taxes, which, on September 12, 1942, dated back to the levy of 1936. There are sufficient remedies under the law with which a collector may clear his warrants promptly.

The financial records of the town clerk were examined and checked in detail. The recorded receipts on account of town licenses, permits, recording fees, etc., were examined and checked in detail. The payments to the treasurer were compared with the treasurer's and accountant's books.

The records of dog licenses issued on behalf of the county, and of sporting licenses, the proceeds of which are paid to the State, were examined, checked, and compared with the amounts due and paid to the town, county, and State.

A summary of the town clerk's receipts and a proof of the cash balance are appended to this report.

The surety bonds furnished by the town officials required by law to be bonded were examined and found to be in proper form.

The records of departmental cash collections by the sealer of weights and measures, by the building, wire, plumbing, and milk inspectors, as well as the health, school, library, and cemetery departments were examined, and the payments to the treasurer were verified.

There are appended to this report, in addition to the balance sheet, tables showing a reconciliation of the treasurer's cash, summaries of the tax, assessment, tax title, departmental, and water accounts, together with schedules showing the condition and transactions of the several trust funds and retirement funds.

For the co-operation received from the several officials during the progress of the audit, I wish, on behalf of my assitants and for myself. to express appreciation.

Respectfully submitted,

HERMAN B. DINE, Assistant Director of Accounts.

Balance Sheet—September 12, 1942

TOWN WARRANT

To J. Clarence Nelson or either of the Constables of the Town of Stoneham, in the County of Middlesex, Greetings:

In the name of the Commonwealth of Massachusetts, you are directed to notify and warn the inhabitants of the Town of Stoneham, qualified to vote in elections and town affairs, to meet in Town Hall

MONDAY, MARCH 1, 1943

at six o'clock in the morning, to act on the following articles of this warrant.

Article 1. To choose the following officers:
Moderator for one year.
Three Selectmen for one year.
Town Treasurer for three years.
Tax Collector for three years.
Town Clerk for three years.
One Assessor for three years.
One member of the Board of Public Welfare for three years.
Three Constables for one year.
One member of the Board of Health for three years.
Two members of the School Committee for three years.
Tree Warden for one year.
One Park Commissioner for three years.
Two Trustees of the Public Library for three years.
One Trustee of Lindenwood Cemetery for five years.
One member of the Planning Board for one year.
One member of the Planning Board for two years.
One member of the Planning Board for three years.
One member of the Planning Board for four years.
One member of the Planning Board for five years.
All on one ballot.

The polls will be opened at six o'clock in the forenoon and closed at eight o'clock in the evening.

For consideration of the following articles, the meeting will be adjourned to meet at thirty minutes after seven o'clock in the evening, on Monday, March 8, 1943.

Article 2. To choose all other necessary Town Officers for the year ensuing in such manner as the Town shall determine.

Article 3. To hear the reports of Town Officers and Committees and act thereon and to choose Committees.

Article 4. To see if the Town will vote to fix the salaries of the several elective officers and boards of the Town for the current year, or do anything in relation thereto. (Board of Selectmen.)

Article 5. To see if the Town will vote to grant a fifteen per cent increase in the salaries of all appointive town officers and employees and including the Town Treasurer, Tax Collector, Town Clerk and Tree Warden, for the year 1943, said increase to be re-

troactive to take effect January 1, 1943, raise and appropriate any sum or sums necessary therefor or do anything in relation thereto. (Board of Selectmen.)

Article 6. To raise such sums as may be necessary to defray town charges for the ensuing year, by taxation or transfer from available funds, and to make appropriations for the same.

Article 7. To see what action the Town will take regarding the disposition of all or part of the unexpended balances of appropriations made for specific purposes as follows:

Gorham Avenue Sewer	$.24
Park Avenue Sewer	387.18
Central Street	2,509.28
Chapter 90 Maintenance, 1941	175.02
MacArthur Road Sidewalk	115.66
Stanton Road Sidewalk	171.15
Seward Road Sidewalk	.37
W. P. A. Administration	70.16
W. P. A. Projects	3,549.50
	$6,978.56

Article 8. To see if the Town will vote to raise and appropriate money for Civilian Defense purposes as authorized by Chapter 487, Acts of 1941, by borrowing, transfer or otherwise, determine how the same shall be expended or do anything in relation thereto.

Article 9. To see if the Town will vote to transfer the balance of the funds made available to the W. P. A. under Article 16 of the adjourned Annual Town Meeting on March 16, 1942, to the Water Extension Appropriation (Account) or do anything in relation thereto. (Board of Selectmen.)

Article 10. To see if the Town will vote to raise and appropriate money to pay unpaid bills incurred in the year 1942, for the following specified purposes:

Water Services	$165.60
Water Mains	144.00
Road Machinery Maintenance	10.84
Street Signs and Beacons	23.04
Infirmary	2.45
Public Welfare	9.04
Old Age Assistance	1.00
Collection of Ashes and Rubbish	58.45
Fire Department	9.25
Town Weigher	40.00
Police Pensions	93.00
	$556.67

Article 11. To see if the Town will vote to raise and appropriate in the current year a sum not exceeding in the aggregate, five per cent of the assessed valuation of real estate and tangible personal property in the town in the year 1942, said sum to be invested in defense bonds or other bonds issued by the Federal Government, under authority of and as provided in Chapter 5 of the Acts of 1943, or do anything in relation thereto. (Board of Selectmen.)

Article 12. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1943, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

Article 13. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1944, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

Article 14. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money for general municipal purposes under authority of and in accordance with the provisions of Chapter 49, of the Acts of 1933, as amended.

Article 15. To see if the Town will vote to pay the rent of quarters or to lease quarters for the use of Leon E. Warren Camp No. 31, U. S. W. V.; Stoneham Post No. 115, American Legion, raise and appropriate money therefor or do anything in relation thereto.

Article 16. To see if the Town will authorize the Board of Health to make appointments from its own membership to the following positions: Health Officer, Milk Inspector, Collector and Analyst of Milk Samples, Board of Health Physician, and raise and appropriate money for salaries of said officers. (Board of Health.)

Article 17. To see if the Town will vote to raise and appropriate money for the maintenance of highways which have been constructed with State and County aid under Provisions of Chapter 90, General Laws, or do anything in relation thereto. (Superintendent of Public Works.)

Article 18. To see if the Town will vote to appropriate money from the Road Machinery Fund or otherwise for the purchase of a second-hand pick-up truck for the Public Works Department, or do anything in relation thereto. (Superintendent of Public Works.)

Article 19. To see if the Town will vote to build a gravel sidewalk on the Westerly side of Main Street from a point opposite Collincote Street to George Street, raise and appropriate any sums of money therefor or do anything in relation thereto. (Carl A. Hedberg.)

Article 20. To see if the Town will vote to construct a sidewalk on the southerly side of Elm Street from Brackett Avenue to 145 Elm Street, under the laws relating to the assessment of betterments or otherwise, appropriate any sums of money therefor, or do anything in relation thereto. (William E. R. Coulton.)

Article 21. To see if the Town will vote to raise and appropriate money to install a six (6) inch water main extension and one hydrant on the property of the Town Infirmary or do anything in relation thereto. (Board of Public Welfare, Frank M. Simons.)

Article 22. To see if the Town will vote to raise and appropriate money to install a sprinkler system at the Town Infirmary or do anything in relation thereto. (Board of Public Welfare, Frank M. Simons.)

Article 23. To see if the Town will vote to construct a sewer in and through William Street from the existing sewer therein westerly a distance of two thousand and fifty-four (2,054) feet, more or less to a point one hundred and fifty (150) feet, beyond the junction of William Street and DeWitt Road, together with connections with other sewers if necessary, raise and appropriate money therefor by the sale of notes, bonds or otherwise, or do anything in relation thereto.

Article 24. To see if the Town will vote to construct a sewer in and through DeWitt Road from the sewer called for in the preceding article to be constructed in William Street northerly a distance of seven hundred (700) feet more or less, together with connections with other sewers if necessary, raise and appropriate money therefor by the sale of notes, bonds or otherwise, or do anything in relation thereto.

Article 25. To see if the Town will vote to construct an enclosed drain starting at Perkins Street and running westerly a distance of two hundred eighty-four (284) feet approximately, raise and appropriate money therefor by the sale of notes, bonds, transfer or otherwise, or do anything in relation thereto. This drain to be substantially in the same location as that of the open ditch running through Colonial Park, so called, or do anything in relation thereto. (Charles H. Huck and others.)

Article 26. To see if the Town will vote to raise and appropriate a sum of money for the purpose of piping a portion of Sweetwater Brook, so called, a distance of two hundred thirty (230) feet more or less, running from Hancock Street to land now or formerly of Georgie E. Moulton, by the sale of notes, bonds or otherwise, or do anything in relation thereto. (Christina F. Mullaley.)

Article 27. To see if the Town will vote to raise and appropriate money for the installation of settees on Central Street on the grounds of the Police and Fire Station and on the North and South lawns of the Town Hall, or do anything in relation thereto. (Maurice H. McKenna.)

Article 28. To see if the Town will vote to erect and install two or more Safety Rails on the steps leading to the main entrance of the Town Hall Auditorium, raise and appropriate any sum or sums of money therefor, or do anything in relation thereto. (Board of Selectmen.)

Article 29. To see if the Town will vote to install insulation material over the entire second floor ceiling area of the Town Office section of the Town Hall building, raise and appropriate any sum or sums of money therefor, or do anything in relation thereto. (Board of Selectmen.)

Article 30. To see if the Town will vote to purchase or take by eminent domain for park purposes the land bounded by Main Street, Church Street, Central Street, and Winter Street, raise and appropriate money therefor by the sale of notes or bonds, by transfer or otherwise, or do anything in relation thereto.

Article 31. To see if the Town will vote to raise and appropriate a sum of money for books, equipment, rent, janitor service and other expenses to provide instruction in military drill for students in the local high schools, any sum or sums so appropriated to be expended under the direction of the School Committee, or do anything in relation thereto.

Article 32. To see if the Town will vote to authorize the School Committee to sell typewriters to a typewriter company for the use of the United States Government or do anything in relation thereto. (School Committee.)

Article 33. To see if the Town will vote to authorize the Department of Public Works to remove and dispose of ashes, paper and other waste during the ensuing year, raise and appropriate any sum or sums of money therefor, or do anything in relation thereto. (Board of Health.)

Article 34. To see if the Town will vote to authorize the Board of Health to enter into a contract for a term of not more than three years for the removal and disposal of garbage, or do anything in relation thereto. (Board of Health.)

Article 35. To see if the Town will vote to accept the provisions of Section 11A of Chapter 85 of the General Laws as enacted by Chapter 710 of the Acts of 1941, relative to the Registration and operation of certain bicycles. (Captain of Police.)

Article 36. To see if the Town will vote to change the term of office of its Selectmen from one year to three years and to elect at its annual meeting in 1944 one Selectman for the term of one year, one Selectman for the term of two years, and one Selectman for the term of three years and at each annual meeting thereafter elect one Selectman for the term of three years, or do anything in relation thereto. (Board of Selectmen.)

Article 37. To see if the Town will vote to authorize the Board of Selectmen to petition the Director of Accounts of the Commonwealth for an audit for the year 1943. (Town Accountant.)

Article 38. To see if the Town will vote to authorize the Moderator to appoint a committee of five to study and make such recommendations as it may deem necessary for the revision of the Building Laws of the Town of Stoneham.

Article 39. To see if the Town will vote to authorize the Moderator to appoint a committee to dispose of any or all obsolete materials and equipment of town departments now on hand, or do anything in relation thereto. (Board of Selectmen.)

Article 40. To see if the Town will vote to authorize free use of the Town Hall Organ Committee on ten occasions during the year when the hall is not otherwise engaged, for the purpose of holding free organ recitals or concerts, or do anything in relation thereto. (Board of Selectmen.)

Article 41. To see if the Town will vote to authorize free use of the Town Hall to the Stoneham Home Front Committee on ten occasions during the year when the hall is not otherwise engaged, or do anything in relation thereto.

Article 42. To see if the Town will vote to choose a committee of five to study the need of and the proper location for an aviation field in the Town of Stoneham and report back at the next annual Town meeting. (Albert P. Rounds.)

Article 43. To see if the Town will vote to change the Town By-Laws by striking out Section 5 of Article I and adopting in place thereof a new Section to read as follows:

Article I, Section 5. Copies of all articles in warrant for annual or special town meetings involving the expenditure of money shall be forwarded by the Selectmen within two days after the final date fixed for receiving said articles to the Finance and Advisory Board for its consideration.

Article 44. To see if the Town will vote to amend Article I of the Town By-Laws by adding thereto a new section to be known as Section 6, said Section to read as follows:

Article I, Section 6. The Selectmen shall annually fix the second Monday of January as the final date on which they will receive articles for insertion in the Warrant for the Annual Town meeting.

Article 45. To see if the Town will vote to amend Article II, Section 4, of the Town By-Laws by striking out the first sentence therein and insert in place thereof a new sentence so that said Section 4 will read as follows:

Article II, Section 4. The various town boards, officers and committees charged with the expenditure of town money shall before December 1 of each year, prepare and file detailed estimates of the amounts deemed by them necessary for the administration of their respective offices or departments for the ensuing fiscal year, with explanatory statements of the reasons for any changes from the amounts appropriated for the same purpose in the preceding year. They shall also prepare estimates of all probable items of income which may be received by them during the ensuing year in connection with the administration of their departments or offices, and a statement of the amount of the appropriation requested by them for the ensuing fiscal year. Said estimates and statements shall be filed with the Town Accountant who shall transmit same to the Clerk of the Finance and Advisory Board.

Article 46. To see if the Town will vote to amend Article II, Section 5, of the Town By-Laws, by striking out the second sentence therein, and insert in place thereof a new sentence so that said Section 5 will read as follows:

Article II, Section 5. The Finance and Advisory Board shall duly consider the estimates and may confer with town boards, officers and committees, and hold hearings, if they deem it advisable. The Board shall make a report of the matters so considered by it with recommendations or suggestions relative thereto and the same shall be published at least ten days before the annual business meeting and three days before any special town meeting. Said report of the Finance and Advisory Board, as published, shall also contain a statement of the doings of the Board during the year, with such recommendations or suggestions as it may deem advisable on any matters pertaining to the welfare of the town.

Article 47. To see if the Town will vote to amend the Town of Stoneham By-Laws by adding under Article XII, at the end, the following:

Section 26. All sidewalks hereafter constructed in the Public Ways of the Town of Stoneham shall be of granolithic concrete, five feet wide. All sidewalks hereafter constructed in Private Ways of the Town of Stoneham shall conform with the above requirements before the street is accepted by the Town. (Albert P. Rounds.)

And you are directed to have one thousand copies of this warrant printed, and to serve the same by posting up attested copies in at least ten public places in the Town seven days at least before the time for holding said meeting, and by causing an attested copy to be published in some newspaper in the Town, the publication to be not less than three days before said meeting.

The remaining copies you are to have at the place and time of meeting as aforesaid for distribution.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place of meeting as aforesaid.

Given under our hands this ninth day of February in the year One Thousand Nine Hundred and Forty-three.

FRED A. SCHNEIDER,
CHARLES GIBBONS,
Selectmen of Stoneham.

A true copy, attest:

J. Clarence Nelson

Constable.
